Our Story

Abercrombie *&* Kent's founder Geoffrey Kent was born on safari and grew up barefoot in the bush of Kenya, his beloved homeland. In the 1960s, he and his parents launched our company and pioneered the first modern luxury safari, a bespoke mobile camp unprecedented in its sophistication. This inimitable combination of adventure and extravagance became the blueprint not just for Abercrombie *&* Kent, but for the entire concept of experiential travel.

Six decades on, now under the ownership of Geoffrey Kent's longtime friend and travel partner Manfredi Lefebvre d'Ovidio, A*&*K is a global company, renowned for creating thrilling, innovative and ultra-luxurious travel experiences all over the world. From unique Tailormade Journeys created for individual guests to all-inclusive A*&*K x Crystal Cruises and continent-hopping Private Jet Journeys aboard our luxurious, customized Boeing 757, everything we do exudes a spirit of adventure. That includes the A*&*K Small Group Journeys in this brochure, which open the door for you to share experiences with other curious, like-minded people in ways you will never forget.

On the cover: Explore the Uros Islands of Lake Titicaca by traditional boat in Peru. **Left:** View iconic wildlife up close in the Serengeti. **Right:** Discover Rome as only a top local guide and your Resident Tour Director can reveal it.

ALL TOGETHER NOW

There are group journeys, and then there are Small Group Journeys with A&K. With us, travelling in the company of others who share your curiosity and love of discovery is a switched-on, sociable and rewarding way to explore a destination. As well as being convivial, our Small Group Journeys are convenient, sidestepping the time-consuming hassle of working out logistics and dealing with language barriers — freeing you up to enjoy an adventure you will remember for the rest of your life.

Trek the mist-covered hillsides of Uganda to encounter mountain gorillas in their natural surroundings, join the owner of Palazzo Francavilla for an A&K-exclusive guided tour of the historic Palermo estate, or gain insider access to a restricted area at the massive paws of the Sphinx. Amazing moments like these, woven into every Small Group Journey, are even better when experienced with fellow adventurers. And on many journeys, free time is arranged around group activities, so you can head out on your own for some personal exploration as well.

With A&K, travelling in a group — of no more than 18 people in most cases, and often fewer — opens doors to extraordinary places that might otherwise be off-limits. Stay in a glass-domed cabin at Northern Lights Village Levi in Finland for the chance to view the aurora borealis from your pillow. Cruise through Egypt in elevated comfort aboard our chic new riverboat Nile Seray. A private art gallery can be revealed; a hidden chapel, unlocked. On so many journeys, a small group size makes more possible.

Whatever your shared interest — hiking, wine, wildlife, ancient civilizations — the guides who accompany you every step of the way illuminate the subject with their expertise. Our Small Group Journeys bring together people from different backgrounds — communities of travellers, if you like — which can give you the confidence to try new experiences, to reinvent yourself a little. Quite simply, an A&K Small Group Journey is one of the most rewarding ways to travel — and wherever you go, there will always be someone to take your photograph.

WHY JOIN A SMALL GROUP JOURNEY WITH A&K?

For more than 60 years, Abercrombie *&* Kent has led the way in crafting luxury journeys for discerning travellers. Our founding principles — that travel should be awe-inspiring, exciting and memorable — remain our motivation today. We are tireless in seeking out authentic experiences, always taking those routes less travelled and heading away from the crowds to find the wonder around every unexpected corner. Holidays are precious, and we understand how important it is to make every trip extraordinary, which is why our guests book with us time and time again. Here are five reasons to follow them.

GO TOGETHER, EXPERIENCE MORE

In the hands of A&K's expert journey planners, travelling in a small group unlocks the doors to exclusive cultural experiences and private properties that large groups or individuals might struggle to access. Our itineraries keep things intimate — most groups average 14 guests — so you benefit from the individual attention of guides and a strong relationship with your Resident Tour Director. Free time is included in itineraries so you can relax or explore on your own. Book with confidence, knowing that our journeys are guaranteed to depart with a minimum of two guests.

UNRIVALED CONNECTIONS

Our network of contacts is unparalleled. We have built up a family of destination specialists, local guides, cultural trailblazers and super-fixers who can arrange exclusive experiences beyond the reach of most travellers. We can open doors to private palaces, arrange authentic cooking experiences in regional cuisines led by local chefs, and take you to monuments when not another soul is there. A&K sets the gold standard for luxury group travel.

UNBEATABLE LOCAL INSIGHT

We have forged lasting relationships in local communities, drawing insights from the likes of artisans, elders and conservationists, to ensure that your itinerary goes far beyond any guidebook. To be an A&K guest is to experience each place from a local perspective, pairing authentic adventure by day with awe-inspiring luxury by night.

EXTRAORDINARY STAYS

We choose the best hotels in the most thrilling locations. They might include a city grande-dame, famed for its history as well as its hospitality, or an exquisite royal residence unlocked just for A&K guests. So special are they, many have been recognized in the *Condé Nast Traveler* Gold List and *Travel + Leisure* World's Best Awards. Raising the bar for exceptional stays are the safari lodges, camps and riverboats in our A&K Sanctuary portfolio, featured in 13 of the Small Group Journeys here. The strikingly contemporary Olonana Lodge, an A&K Sanctuary, makes the perfect base for witnessing the Great Migration in Kenya's Maasai Mara, while our new Nile Seray, an A&K Sanctuary, conveys you down the Nile in vintage style.

TRAVEL WITH CONFIDENCE

However you travel with A&K, you are in the best possible hands. Behind every journey is an international network of more than 3,000 staff, in over 70 offices and 83 countries. Our family of experts, from historians, naturalists, archaeologists and geologists to well-connected local guides, brings together their spark, knowledge and care to make every A&K journey remarkable. The safety and security of our guests is at the heart of what we do, meaning you can step outside your comfort zone knowing that we are never out of ours.

We've set an unbeatable standard in luxury travel since 1962 — and once you've experienced one of our Small Group Journeys, you'll agree that we go the extra mile

ELEVATE YOUR ADVENTURE

A fleet of luxury boats, the finest gastronomy, family-friendly features... we've arranged to take your travel experience to a whole new level

From sailing majestic Argentino Lake and exploring Perito Moreno Glacier in Patagonia to touring Australia's iconic Sydney Opera House with a private guide, the experiences we organize make our Small Group Journeys unique. Just as important are the modes of travel we offer, the exceptional food and drink along the way, and accommodations specially chosen to match your tastes and family.

CRUISE IN STYLE

Whether you are sailing aboard one of our sleek, stylish A&K boats or a first-class vessel chartered by us, your voyage will always offer the same exceptional service and style as on land. Boats range from timeless classics to state-of-the-art beauties, with features such as plunge pools, gyms and deckside cocktail bars, while onboard gastronomy speaks to the fresh produce and culinary heritage of the landscape. Discover the beauty of life on the world's most iconic waterways, from the Danube and the Mekong to the Yangtze and the Nile, aboard a vessel set apart from others by its comfort and craftsmanship.

TASTE THE WORLD

Our itineraries are interwoven with memorable culinary occasions — from celebratory welcome and farewell dinners to haute-cuisine experiences — that will linger in the mind long after the last bite. Expect a well-balanced menu of planned group meals and time set aside for independent dining, as well as chef-led culinary demonstrations and refreshing drinks in breathtaking settings.

FAMILY FEATURES

On journeys geared toward family travel, such as our new Family Adventure in Southern Africa, A&K experts can often select hotels that pair five-star style with family-friendly amenities — balancing the intimacy of a family holiday with the cultural and social rewards of our Small Group Journeys.

Right: Discovering the refined hospitality of a geiko (geisha) in Kyoto, Japan.

A&K SANCTUARY

Our unbeatable collection of chic retreats

The A&K Sanctuary safari lodges and luxury camps scattered across Africa are as diverse as the continent itself. On the acacia-studded plains of Kenya, in the shadow of Mount Kilimanjaro, Kitirua Plains Lodge is our stylish new addition to Amboseli National Park. In the emerald-green mountains of Uganda, Gorilla Forest Lodge has 10 stunningly reimagined suites and is the most luxurious place to stay within the gorilla-trekking haven of Bwindi Impenetrable National Park itself. While A&K Sanctuary retreats feature individual designs, they share a single aim: to give guests an authentic experience that is luxurious and reflects our commitment to conservation and communities.

Our five A&K Sanctuary riverboats on the Nile, including sleek new Nile Seray with its 32 spacious suites, are worthy successors to the elegant vessels of another century. Days on board are spent exploring Egypt's extraordinary open-air museum on the banks of the Nile, led by our brilliant guides and eminent Egyptologists. If Agatha Christie were to take a Nile voyage today, she would do it on one of these boats. From boutique cruisers to a handsome six-suite dahabeah, they are consistently voted the best on the river. In Peru, meanwhile, A&K's state-of-the-art riverboat Pure Amazon cruises the glassy tributaries of that great river as our experts shed light on the region's diverse wildlife.

When you book one of our Small Group Journeys featuring an A&K Sanctuary property or vessel — such as Olonana Lodge on Ultimate Great Migration Safari, Nile Seray on Egypt and the Nile or Chief's Camp on Southern Africa Safari and Rail Adventure — you can look forward to a peerless balance of personal comfort and authentic immersion in your chosen destination.

A&K PHILANTHROPY

Our founder Geoffrey Kent pioneered community-first conservation initiatives in Africa in the 1980s. His ethos: that the best way to protect our planet's remaining wilderness is to invest in the communities who live there.

Since then, A&K Philanthropy has grown into a global non-profit organization spanning all seven continents, positively impacting hundreds of thousands of lives and helping preserve some of the world's most precious ecosystems. Our projects aim to support, empower and educate local communities in protecting their surroundings, and to ensure that the people in the places where we travel also benefit directly from tourism.

Every trip you book with us supports the initiatives of A&K Philanthropy, positively impacting communities and conservation efforts. Thanks to amazing guests like you, in 2025 we raised $3.4 million to support initiatives that range from training women as bicycle mechanics and nurses in Uganda, and providing schoolchildren with books, food and clean water in Zambia, to funding climate-change studies that help preserve wildlife in Antarctica.

OUR LATEST PROJECTS

The A&K Philanthropy nonprofit network spans 28 countries on all seven continents and, in 2025, spent over $2.4 million on programs. We opened a second bead enterprise shop in Uganda (adding to other AKP-supported enterprises in Brazil, India, Jordan, Peru, Sri Lanka and Zambia), providing 12 women with training and the support to start their own business. In Cambodia, over the past decade, AKP has supported the installation of water wells with bio-sand filters across Siem Reap. With the help of our guests, we reached a milestone of providing approximately 16,500 people with clean water since the program began.

We expanded our impact in Peru's Amazonian region, working in close collaboration with a local community to build a sustainable bio-business that will provide income-generating opportunities

while also preserving the forest. Other projects include a new collaboration with VeryNile to uplift Egyptian communities on the Nile River by recycling plastic and renovations in various schools around Tarangire National Park in Tanzania, to improve learning environments for local children.

GET INVOLVED

On A&K Small Group Journeys, every one of our guests takes away meaningful memories, life-changing perspectives, new friends and a deeper connection to their destination. On select itineraries, they have the opportunity to give something back, too, particularly to the communities that welcome them, lifting the lid on local life and making these trips extra special. Speak to our team to find out how you can make the biggest impact when you travel: we make sure every dollar you put toward AKP projects goes directly to the projects we support. To find out more, or to donate, visit **akphilanthropy.org**.

AFRICA

Mara River

This continent is the cradle of humanity, culture and wildlife. It has spawned millions of species, from thumb-sized frogs to elephants. Africa is also the birthplace of Abercrombie & Kent, which began in 1962 as a pioneering luxury safari company. Beyond its thrilling wildlife encounters, Africa has fascinating cultures, cuisines and histories, both ancient and modern. East Africa's wilderness of grasslands is buffered only by sky, plains of rust-red earth and vast deserts. Cape Town's wine and fine dining scenes are legendary, the neon-spangled streets of Nairobi and Johannesburg point to a bright future, while Victoria Falls and Botswana's lush Okavango Delta speak to nature's raw majesty.

ASIA AND AUSTRALASIA

Jaipur, India

Asia is a treasure chest of time gone by, of dynasties, dzongs, geishas and Great Walls, but also of bullet trains, robots and hologram concerts. Terracotta warriors outnumber endangered pandas in China; Japan's valleys echo with folk tales while its cities move at breakneck speed. The slow, storied Mekong weaves through Southeast Asia: Laos, with its French influences; Cambodia, where the temples of Angkor Wat rise from the jungle; and Vietnam, a land of historic and cultural authenticity. In India, holy rites are still held beside the Ganges and the Bengal tiger still stalks the forest while in Australia and New Zealand a blend of indigenous cultures, dazzling cities and natural wonders beckons.

Crystal's relationship with sister brand *A&K* is a true meeting of minds, with both committed to excellence on land and at sea, offering guests soul-stirring experiences in the utmost comfort.

Imagine taking to the high seas with all the comforts of a five-star hotel — food created by Michelin-rated chefs, Broadway-standard shows, TED-style lectures given by experts, an elegant suite with butler service — and a new destination beyond your window every morning. Welcome to cruising — the Crystal way.

For 35 years, Crystal has been setting the standard on the high seas. Service is so warm and intuitive that guests liken it to being welcomed into a family. Our two ships — Crystal Symphony and Crystal Serenity — are among the most spacious at sea, with an industry-leading staff-to-guest ratio of nearly one to one, and butler service in every room and suite category.

And then there's the food. Each Crystal ship has multiple dining options, including the only Nobu restaurants at sea, the only oceanbound venue for international dining sensation Beefbar, and an exclusive partnership with the Alajmo brothers, whose restaurants include one of only eight in Italy to hold three Michelin stars.

Onboard, there's never a dull moment, with world-class singers, musicians, and speakers, an indulgent spa, outdoor pool, and sports facilities. For those who like a flutter, Le Casino de Monte-Carlo is a unique and sophisticated gaming room inspired by the legendary casino on the Monaco riviera. Onshore, meanwhile, Crystal's sister brand A&K brings unparalleled expertise and insights to the destinations visited, offering next-level shore excursions that take guests on one-of-a-kind experiences. It's another way in which Crystal is making itself exceptional on land and at sea.
