FAQs

How do I make a booking?

We offer two ways to book a vacation package with Amtrak Vacations®:

- Call Amtrak Vacations at 1-800-268-7252 and speak with a Rail Vacation Specialist.
- Visit or call your local Travel Advisor.

Can I fly to the first city then pick up my Rail Vacation package and then fly home from a different city?

Yes, absolutely! You can take the Amtrak train one way and then fly home from a different city. This is very popular with our Independent Rail Vacation and our Rail and Sail Vacation packages.

Can I add on additional sightseeing activities and/or additional hotel nights to one of your Rail Vacation packages?

Yes, you can add additional sightseeing activities and/or hotel nights to most existing rail vacation packages we offer. There are a couple ways to do this.

When you speak with a Vacation Specialist, request an explanation of the upgrade options to your vacation package as you wish. Additional charges may apply.

When I upgrade to sleeping accommodation, are my meals included?

Yes! On most long distance trains all meals are included in the dining car during meal times when upgrading to a sleeping accommodation.

Can I take a specific Rail Vacation that you offer in a reverse order?

Yes! We offer most of our rail vacation packages in reverse order. Please call and speak with one of our Rail Vacation Specialists at 1-800-268-7252 for reverse options.

Where are your hotels located?

All of our hotels are centrally located within each city we visit. Most are within a short distance of the train station and local sights. Hotel upgrades are available upon request.

Can you accommodate special dietary needs?

We can provide special menu selections on most trains with 72-hour advance notice. We require 24-hour advance notice for Acela Express First Class service. You do not need to provide advance notice for vegetarian meals.

How long before the train departs should I be at the station?

The recommended arrival time for each station varies, but plan to arrive at least 30 minutes prior to your scheduled departure. If you need help with luggage, tickets or any other services, or if you are departing from a large or busy station, we recommend you arrive at the station even earlier. To confirm your train will be arriving on time, please call 1-800-USA-RAIL.

How much luggage can I bring?
