HEALTH & SAFETY INFORMATION

HEALTH & SAFETY

During your stay at Couples Resorts, we want to ensure your safety and well-being at all times. Please be aware of the following information and health tips.

MEDICAL ASSISTANCE

In the case of minor illnesses or injuries, our attentive nursing staff available on a complimentary basis. Please call the Front Desk for assistance. Should you require more serious medical assistance, there is a doctor on call, at an additional cost.

SUNBATHING TIPS

We recommend avoiding direct and unprotected exposure to the sun, particularly between 10:00 am and 2:00 pm. It is advisable to always use sunscreen, preferably a waterproof brand. Dehydration can be a problem due to the intense heat. This condition may be exaggerated with heavy alcohol consumption. Please drink plenty of fluids, especially water, throughout the day.

INSECT BITES AND MARINE HAZARDS

While visiting a tropical country, you may be exposed to flying insects such as mosquitoes or sand flies in the mornings and at twilight. Applying insect repellent is an excellent guard against insect bites. If you step on a sea urchin or are stung by a jellyfish, please visit the nurse immediately.

ATTIRE / ACCESSORIES

For off-site excursions, we encourage you to be fully informed on the activity you are taking part in and, as such, be prepared with appropriate attire, including footwear, clothing and hats.

EMERGENCY & DISASTER PREPAREDNESS

HURRICANE WARNING

A hurricane warning is announced when a hurricane is expected to strike our location within 24 hours. You will be advised of a hurricane warning by our General Manager and team. As soon as the warning is confirmed, you should do the following:

1. Secure your passport and other travel documents in your room safe along with any other important papers. Make sure to put money, jewelry and other valuables in your room safe. The hotel cannot be held liable for valuables not deposited in the safe.

2. You may find it convenient to settle your bills at this time; it will make it much simpler and easier for you in case there are any disruptions after the hurricane. Pack a small bag with essential personal items such as medication, towels, contact lenses, toiletries, and one change of clothing.

Seal the plastic bags with masking tape provided and put them in the armoire in your room. Lock your room and take the key with you.

4. Go to the designated hurricane shelter as soon as you are told to do so. The hurricane shelter is located in the executive offices and lobby. Remain in the shelter and stay away from glass windows and doors at all times. Do not go out until you are told to do so.
