AN OCEAN OF NEW

INTRODUCING EXPLORA JOURNEYS

Explora Journeys is the new **LUXURY** *lifestyle* travel brand launched by the MSC Group with the ambition to **REDEFINE** the luxury cruise category.

The concept: Vibrant, cosmopolitan, relaxed European luxury at sea. Instead of cruises, we create journeys – of the mind, and across the oceans of the world, to destinations on and off the beaten track.

On board: Spaces that offer guests relaxed luxury, creating a home at sea. Restoring life's essential balance with a combination of discovery and appreciation for wellbeing and nature. This is what our new discerning travellers have asked for and this is what they will enjoy on Explora Journeys.

SAIL UNIQUE

Designed to feel like your own private yacht

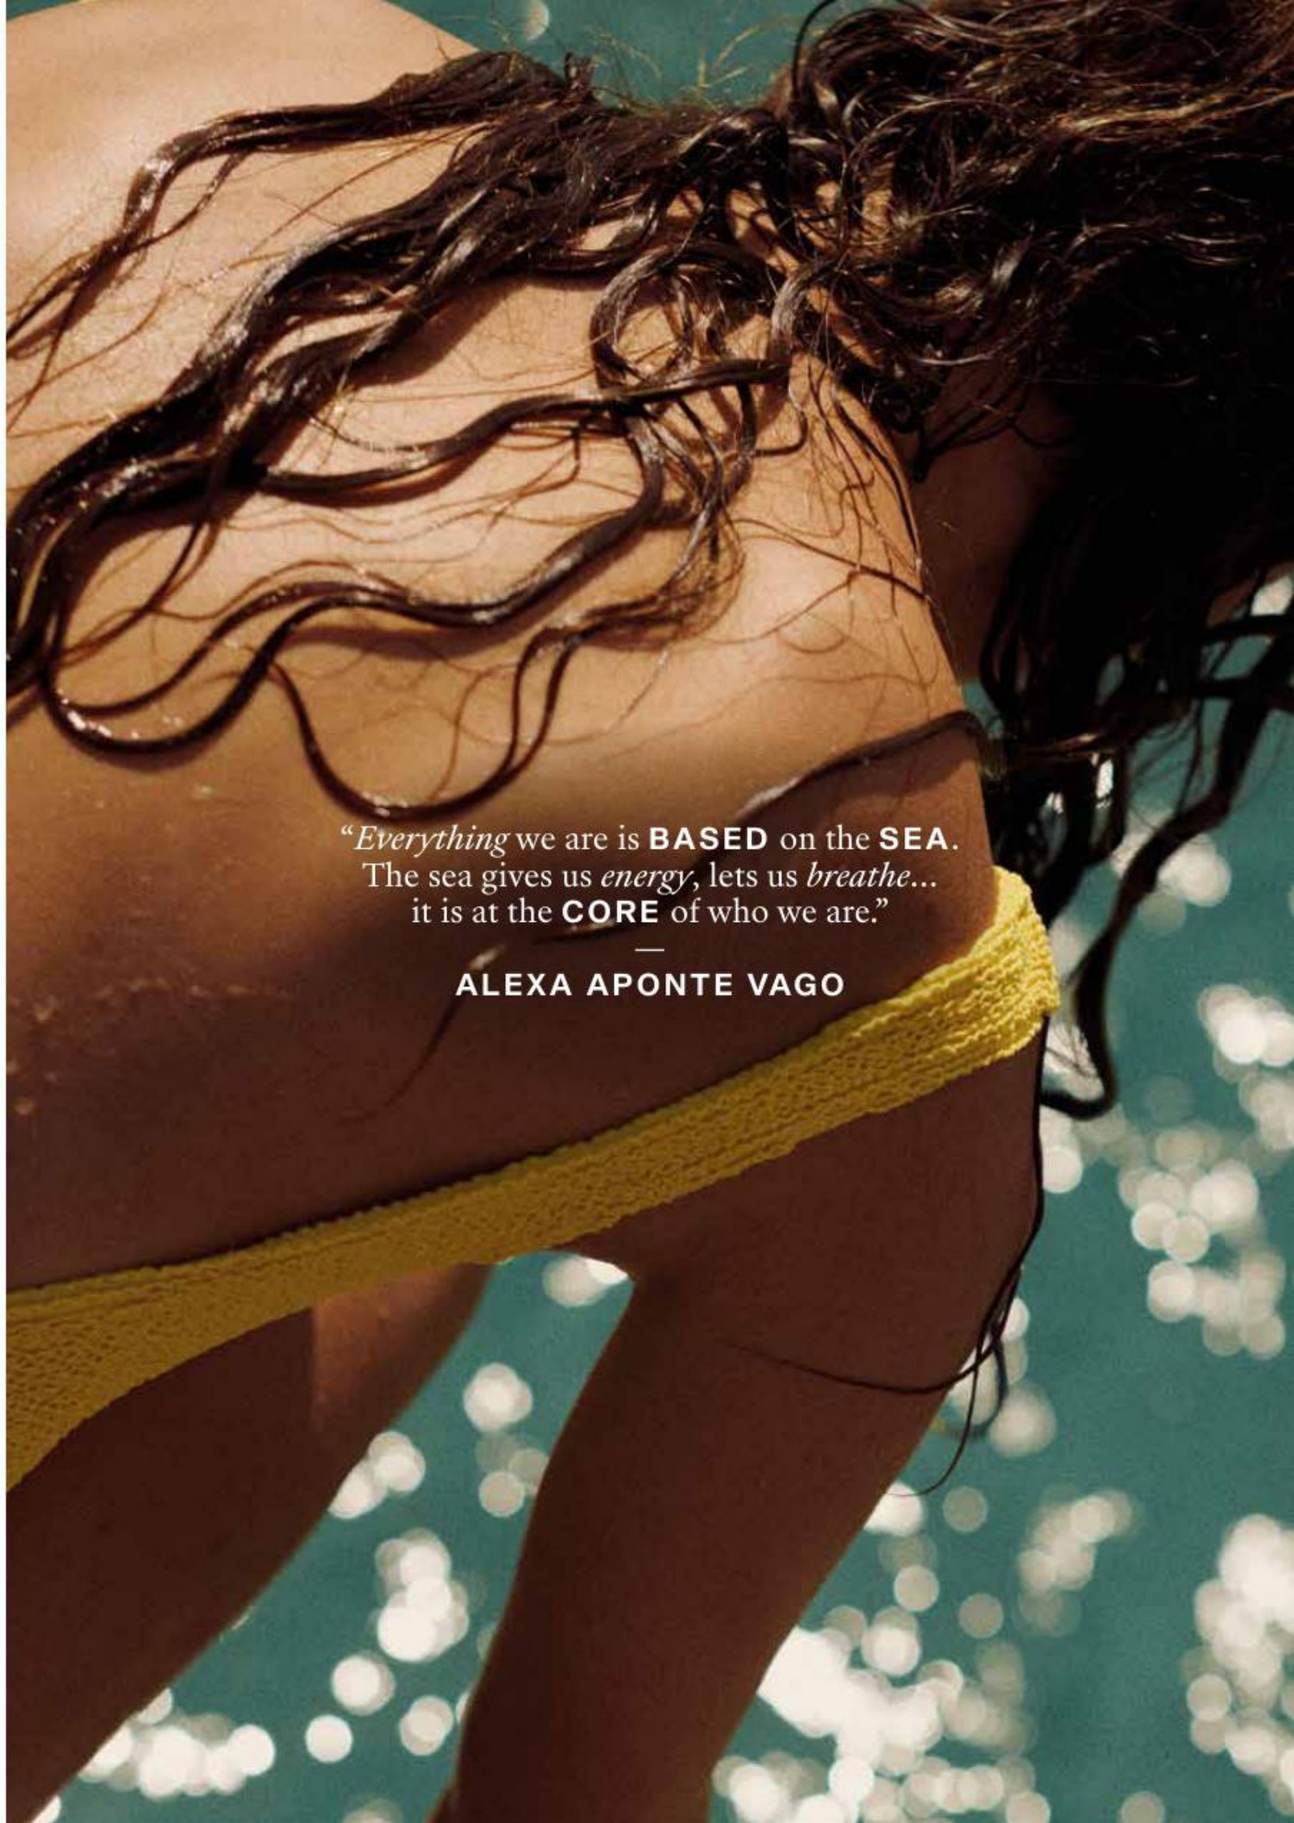

Explora Journeys offers guests unparalleled comfort and space,
for the first time ever a genuine home-away-from-home at sea.

DISCOVER THE OCEAN STATE OF MIND

Its influence is at the heart of Explora Journeys.
The ocean connects us with ourselves,
other people, and the places around us.
It inspires inner and outer discovery, broadening
horizons and triggering new connections.

We call this powerful, transformative and rewarding emotional response the Ocean State of Mind.

"This is the guiding force for everything we do", says Pierfrancesco Vago, Executive Chairman, MSC Group Cruise Division. "Everything we do, everything we offer, is for one reason alone: to ensure our guests reach the Ocean State of Mind. It is the ultimate benefit that makes the Explora Journeys experience unique."

"*Everything* we are is **BASED** on the **SEA**.
The sea gives us *energy*, lets us *breathe*...
it is at the **CORE** of who we are."

BELIZE

OUR CARIBBEAN

The beauty of the Caribbean is without doubt its crystalline waters. Our ships weave a way through the more than 700 islets and islands, sometimes for months at a time. We follow the sea turtle's lead and keep the pace languid, our days sprinkled with snorkelling through caves and amidst underwater kingdoms of kaleidoscopic coral and fish.

DRIFT INTO THE SEDUCTIVE WARMTH OF THIS TROPICAL PARADISE

On shore, island life is just as colourful. From the unsurpassed French chic of the volcanic Saint Barthelemy to the character of Puerto Rico, the Caribbean's vibe is joyous and free-spirited, offering escapism at its most uplifting.
Explore sugar cane, coffee and cocoa plantations, or simply rest under swaying palms. Green jungled hills and cloud-shrouded mountains offer the most majestic of backdrops, whilst the orchid-filled primordial rainforests are rich in wildlife, from monkeys and mongoose to hundreds of species of songbird.

VIRGIN GORDA

Awaken your senses with the soul-stirring flavours of Caribbean cuisine. Indulge in vibrant, bold dishes crafted with zesty spices such as freshly-caught seafood and rum-infused cocktails.

BECOME IMMERSED IN ITS VIBRANT CULTURE AND CUISINE

OUR SOUTH AMERICA & AMAZON

In this seductive world of wild, unfettered nature lies a realm of jungle-clad islands, giant trees, pot-bellied sloths, prowling jaguars and a pandemonium of parrots. A crucible of contrasts from deserted Devil's Island to bustling Manaus; a green zone of paradise with a golden halo around it.

DISCOVER A CRUCIBLE OF CONTRASTS WHERE CULTURE FLOWS DEEP

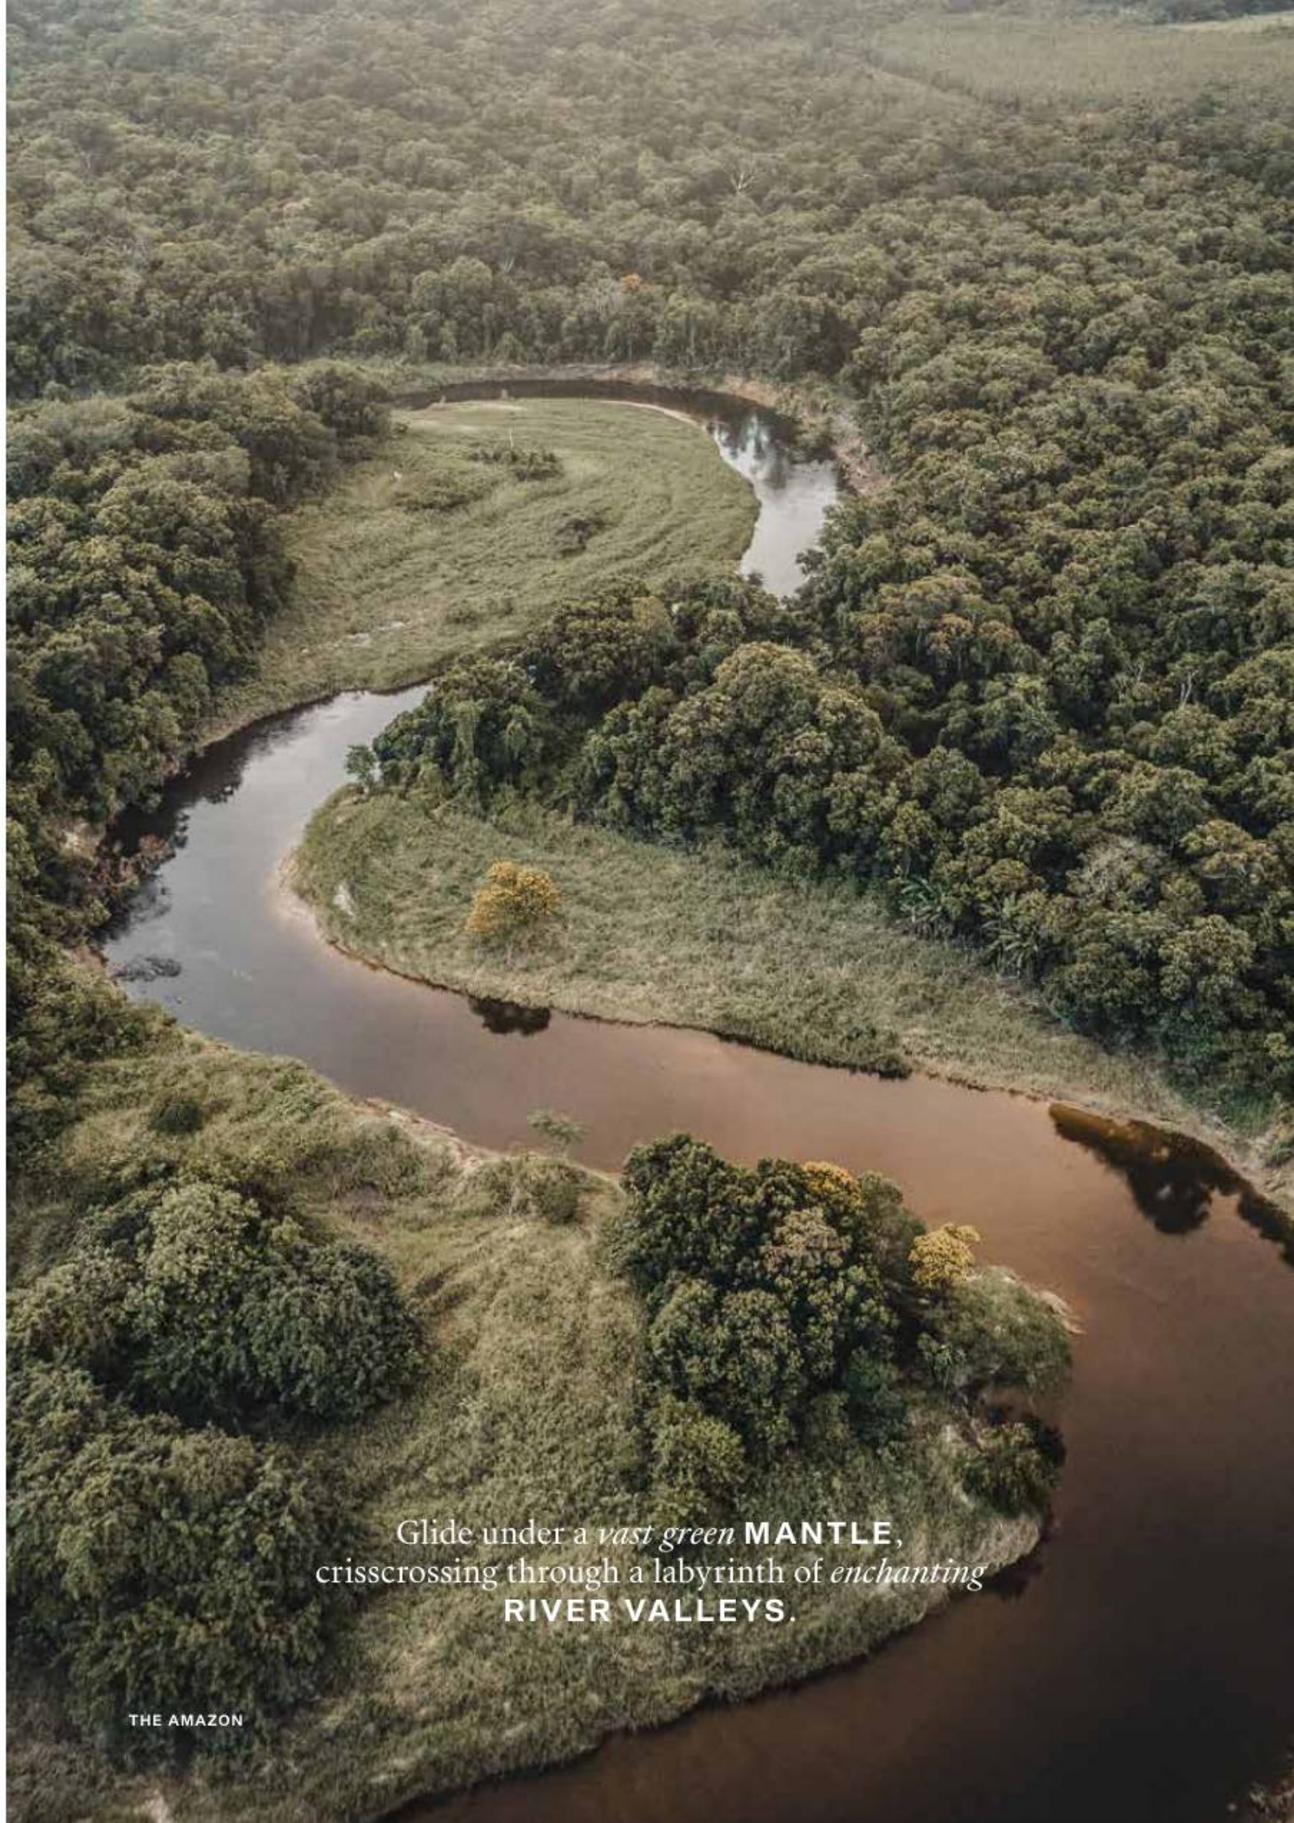

A sanctuary for slowing down; the rainforest sets the rhythm of life. Surrounded by a symphony of other-worldly sounds: howler monkeys, macaws, frogs, chirps, splashes and leaves fluttering to the ground.

Tread softly, canoe quietly. Spy colossal lily pads, lounge on sugary white beaches, and follow jungle trails to waterfalls and wild orchids.

In this corner of the world, where everything is extraordinary, remote rock paintings from the Paleolithic period tell us that this land has been inhabited for thousands of years.

Set deep in spectacular scenery, explore colossal religious monuments, UNESCO-acclaimed ancient ruins and mythical civilisations. Drop into museums exhibiting original works, wonder at open air man-made sculptures and admire the architectural diversity from Andean archaeological sites to the French forts of the Islands of Salvation.

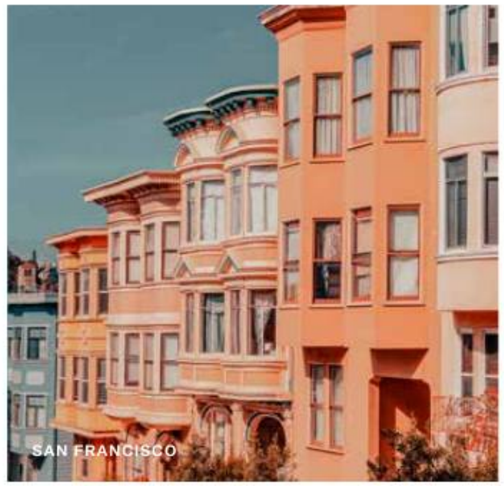

Sail calm currents from *fascinating*
Mayan **HERITAGE** to *glittering*
CITYSCAPES and *dramatic* **SHORES.**

PACIFIC COAST, CALIFORNIA

OUR CENTRAL & NORTH AMERICA PACIFIC COAST

Trace the dynamic west coast of Central and North America from the golden beaches of Mexico to the craggy cliffs of California, and bohemian shores of British Columbia. Along the way, we discover wildlife sanctuaries, redwood forests, renowned vineyards and red-carpet cities.

SAN FRANCISCO

WITNESS THE WILD, UNTAMED SPECTACLE OF THE PACIFIC COAST

Central American coffee and cacao estates give way to barefoot beach shacks on the Mexican Riviera, while Los Angeles farm-to-table scene blends global influence with Michelin-starred artistry.

Stroll LA's surfing beaches before the tide turns exotic along the Mexican Riviera. Further south, Guatemala and El Salvadore's shores reveal volcanoes, stunning wildlife and UNESCO ruins.

OUR RED SEA & ARABIAN PENINSULA

Embraced by the Red Sea and Gulfs of Aden, Oman and Persia, the Arabic Peninsula has long been shaped by the riches of the Incense Route. The Middle East is home to some of the world's oldest civilisations, dotted with UNESCO riches and world wonders. Ancient Egypt bestowed the great pyramids, forgotten temples and a pantheon of deities.

OMAN

DISCOVER A LAND WHERE TRADITION ANCHORS INNOVATION

Its sickle-shaped coasts and golden beaches give way to the shifting sands of Egypt, home to desert oases and ancient tombs that stand silent beside the eternal Nile. Jordan's Wadi Rum and northern Saudi Arabia's Mars-red landscapes evoke an otherworldly ambiance while the warm waters of the Red Sea and Arabian Gulf teem with marine life.

Every social encounter is marked by the ritual of cardamom-infused coffee and tea served with plump dates, while vibrant markets serve shaved shawarma, hummus and local culinary delights.

Age-old dishes meet mind-blowing Michelin-starred restaurants. A land of contrasts - where castles rise from the sand, nature meets human ambition and history and progress walk hand in hand.

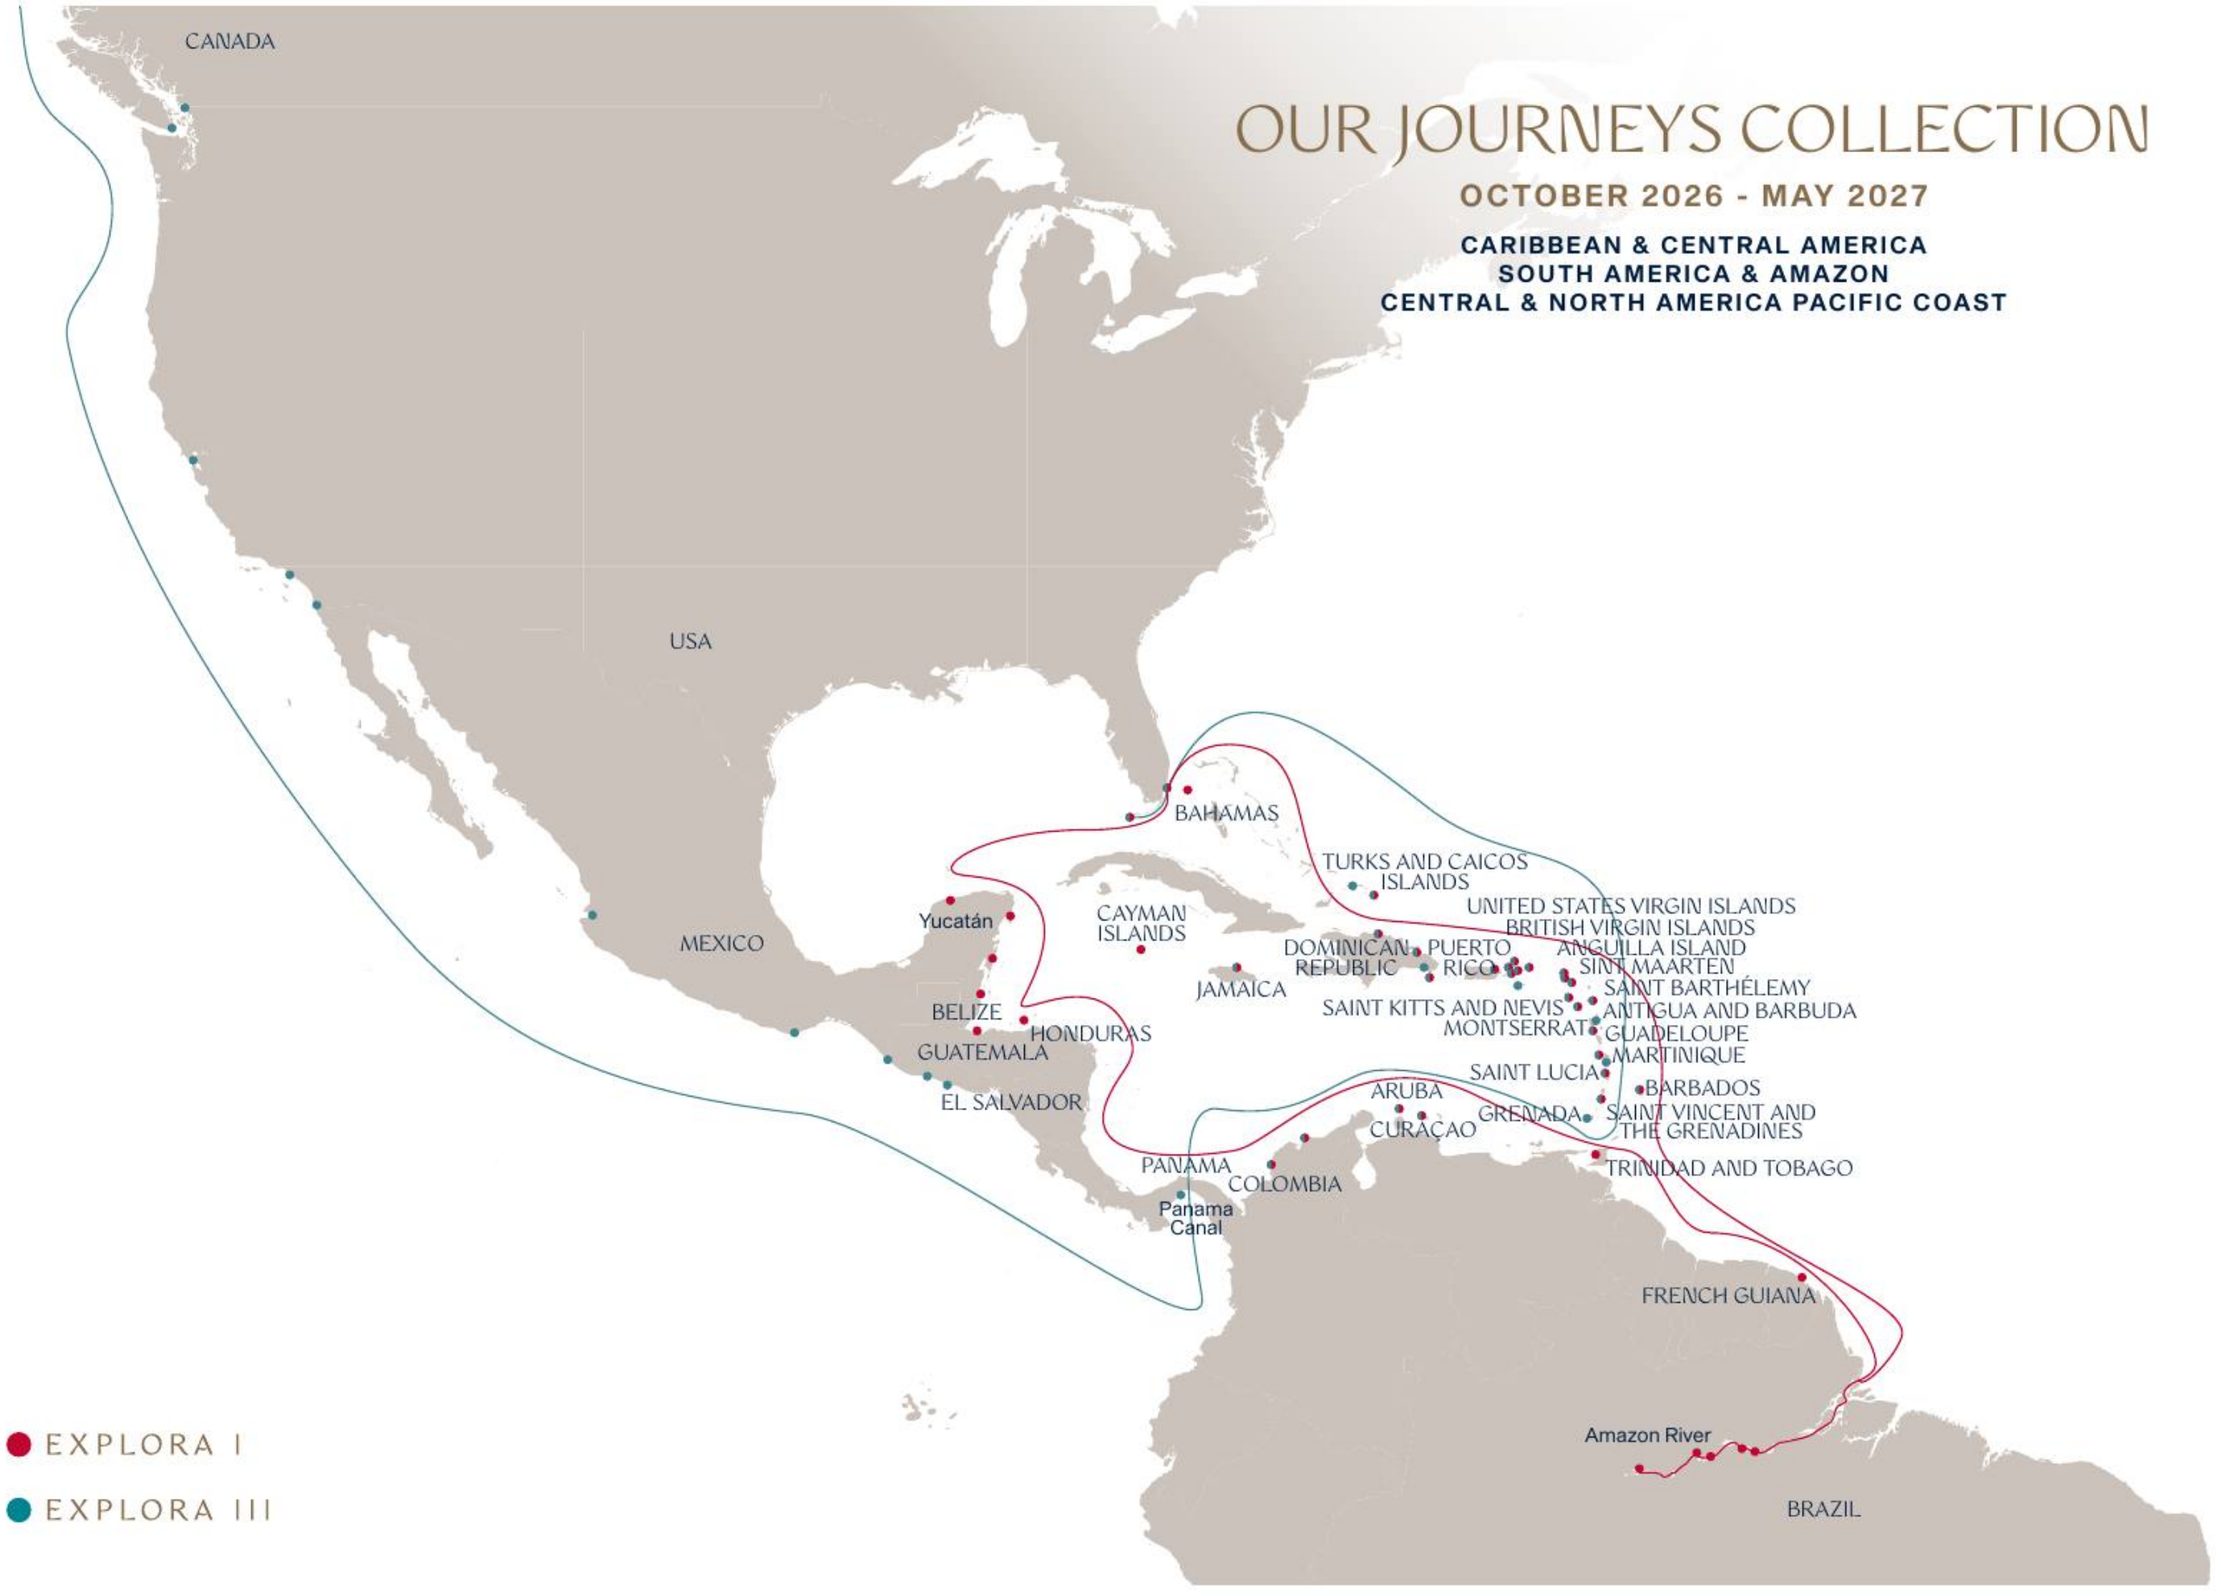

Parched **DESERTS** and *rugged* **MOUNTAINS** give way to *sublime* **COASTS** and *vibrant* **CITIES.**

PIERFRANCESCO VAGO

MSC Group Cruise Division

LEAVING THINGS BETTER FOR THE NEXT GENERATIONS

The innate respect for the ocean is why Explora Journeys – in partnership with Fincantieri – is committed to building the ships of tomorrow, utilising the very latest in environmentally supportive technologies.

All six ships will be RINA Dolphin-certified, ensuring reduced underwater noise, which in turn contributes to the preservation of marine life. EXPLORA III, IV, V and VI will be LNG-powered, with EXPLORA V and VI also being hydrogen-powered.

MSCFOUNDATION

Explora Journeys is dedicated to supporting environmental, humanitarian and sustainable development commitments worldwide through the MSC Foundation, a private non-profit foundation established by the Aponte family.

Inspired by the MSC Group's values and motivated by a deep sense of responsibility for the planet and its resources, the foundation's mission is to utilise MSC's global reach and unique knowledge of the ocean to take immediate action that contributes to protecting and nurturing the blue planet.

The foundation also supports sustainable ecosystem management, empowers vulnerable communities, promotes inclusive education, and aids disaster recovery efforts.
