WELCOME TO MEXICO

Awe-inspiring resorts, set on powdery sands on sprawling coastlines. Darling coastal villages, where *fútbol* is played by youngsters on the same streets the greatest European conquistadors and Aztec, Incan, and Mayan warriors once strode; where old traditions live on, tortillas are still handmade, chocolate is served spiced, and Mayan and Nahuatl languages flow like the rivers that run through the country's jungle.

These are only some of the lasting impressions made by the United Mexican States, the tenth most populated country in the world. Featuring a landscape that offers sugar-white beaches, cinnamon deserts, and cities both forgotten and remembered in between, it's no wonder that so many Americans come here each year in search of paradise.

They head south to feel the kiss of the sun on their skin and the whisper of clear water at their feet. The rush of warm air as they zip through lush rainforests, countered by the crisp coolness of a refreshing cenote. The taste of pestle-ground guacamole, filling tamales, savory barbacoa, or heavenly carnitas, spiced with fresh chiles and tempered with a cornucopia of tropical fruit and mild cheeses.

From the Sea of Cortez to the Yucatan Peninsula, and the Gulf of Mexico to the Pacific Ocean, the magic of Mexico awaits, each destination eager to make its own lasting impression.
