Nearly a Century Planning Your Vacation.

Since 1928, when a young Antonio Mantegazza set out in his family's rowboat to share the stories of his homeland, Globus has been dedicated to exceptional travel experiences. Beginning on the serene waters of Switzerland's Lake Lugano, Antonio's passion soon grew from transporting lumber to ferrying curious travelers, turning simple journeys into unforgettable adventures.

From those humble beginnings, Globus blossomed into a trusted, family-owned name in worldwide travel. Combining rich heritage with modern innovation, Globus continues to craft expertly curated tours, provide exceptional service, and create lasting memories on every journey. Nearly a century later, our commitment remains the same—bringing the world's wonders closer to you.

1928

GLOBUS WAS BORN

Founded in Lugano, Switzerland, by Antonio Mantegazza, who began ferrying travelers in a rowboat across Lake Lugano while sharing stories of the local sights.

1930

THE FIRST MOTORCOACH

Antonio purchased his first motorcoach, launching what would become the modern motorcoach touring business. He called the company Globus Viaggi.

1950

1961

COSMOS WAS CREATED

Globus launched Cosmos to offer affordable, value-priced European touring for the cost-conscious traveler.

1980

WORLD'S MOST POPULAR

2004

AVALON IS LAUNCHED

Globus introduced Avalon Waterways, adding river cruising to its range of travel styles.

2011

AVALON LAUNCHES FIRST SUITE SHIP®

Avalon's introduction of the first Suite Ship quickly led to a fleet of Suite Ships, elevating river cruising. Globus continued to innovate, taking travelers beyond landmarks to undiscovered towns and coasts without crowds.
