ICONIC CANADIAN DESTINATIONS.

Explore the magnificent beauty of the Canadian Rockies and West Coast through our destinations and overnight midpoint stop.

VANCOUVER

With a backdrop of endless mountains and glistening ocean, Vancouver is simply awe-inspiring. Elegant glass skyscrapers tower over some of the most spectacular temperate rainforests in the Pacific Northwest, a thriving ecosystem home to coyotes, wolves, whales, salmon, and even the occasional black bear. Experience West Coast culture with a flourishing art, music, and Michelin-star dining scene or take a leisurely stroll around one of the city's many beaches.

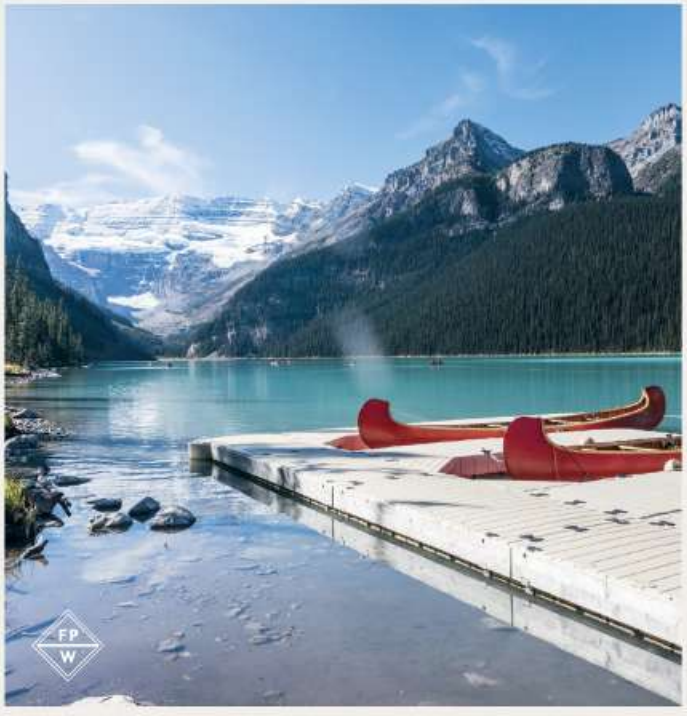

BANFF

Located in Banff National Park, this iconic mountain town offers everything from natural hot springs and gondola rides to a thriving culinary and shopping scene. The famous Mount Rundle towers over the town no matter where you are and there is no shortage of outdoor adventures to embark on. The surrounding parklands are home to roaming grizzly bears, elk, and postcard-perfect glacial lakes the Rockies are known for.

JASPER

A quaint town nestled within majestic mountains, Jasper sits in the middle of the largest national park in the Canadian Rockies. A little off the beaten path, Jasper is full of rustic charm and boasts an extensive trail network, perfect for exploring the many mountain peaks, glacial lakes, and dramatic waterfalls. Dip your toes in the biggest glacially-fed lake in the Rockies–Maligne Lake–or watch star systems across the world's second largest Dark Sky Preserve.

LAKE LOUISE

World-renowned for its turquoise-hued waters, Lake Louise is set against a breathtaking backdrop of mountain peaks and glaciers. Widely considered the crown-jewel of the Rocky Mountains, this dramatically beautiful destination is home to the historic Fairmont Lake Louise—a perfect starting point to explore the hiking trails that wind alongside the lake. Rent a canoe or kayak and paddle across the tranquil waters for the quintessential Rockies experience.

ICONIC CANADIAN DESTINATIONS.

Edmonton and Calgary cannot be reached via our train routes but are available with select packages as a start or end point.

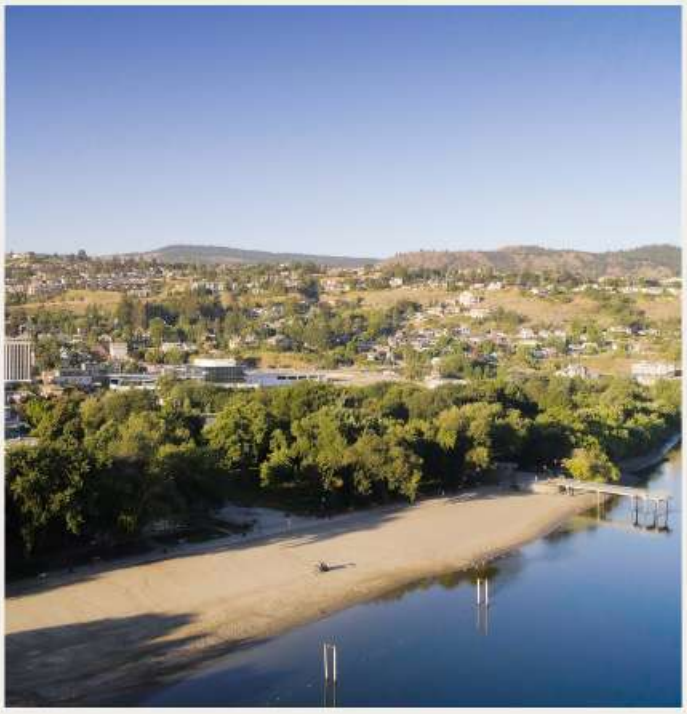

EDMONTON

The capital city of Alberta, Edmonton is a vibrant urban hub known for its rich cultural scene and outdoor activities. Situated on the banks of the North Saskatchewan River, it's renowned for its expansive river valley, one of the largest urban park systems in North America. The city is home to West Edmonton Mall, one of the largest shopping and entertainment complexes in the world, offering everything from shops to an indoor amusement park.

CALGARY

Nestled near the stunning Rocky Mountains, Calgary offers visitors a vibrant mix of cultural experiences, beautiful landscapes, delicious cuisine, and modern attractions. Wander through Calgary's green rolling foothills, explore the high-end shopping scene, or experience the city's culture and history through many heritage sites.

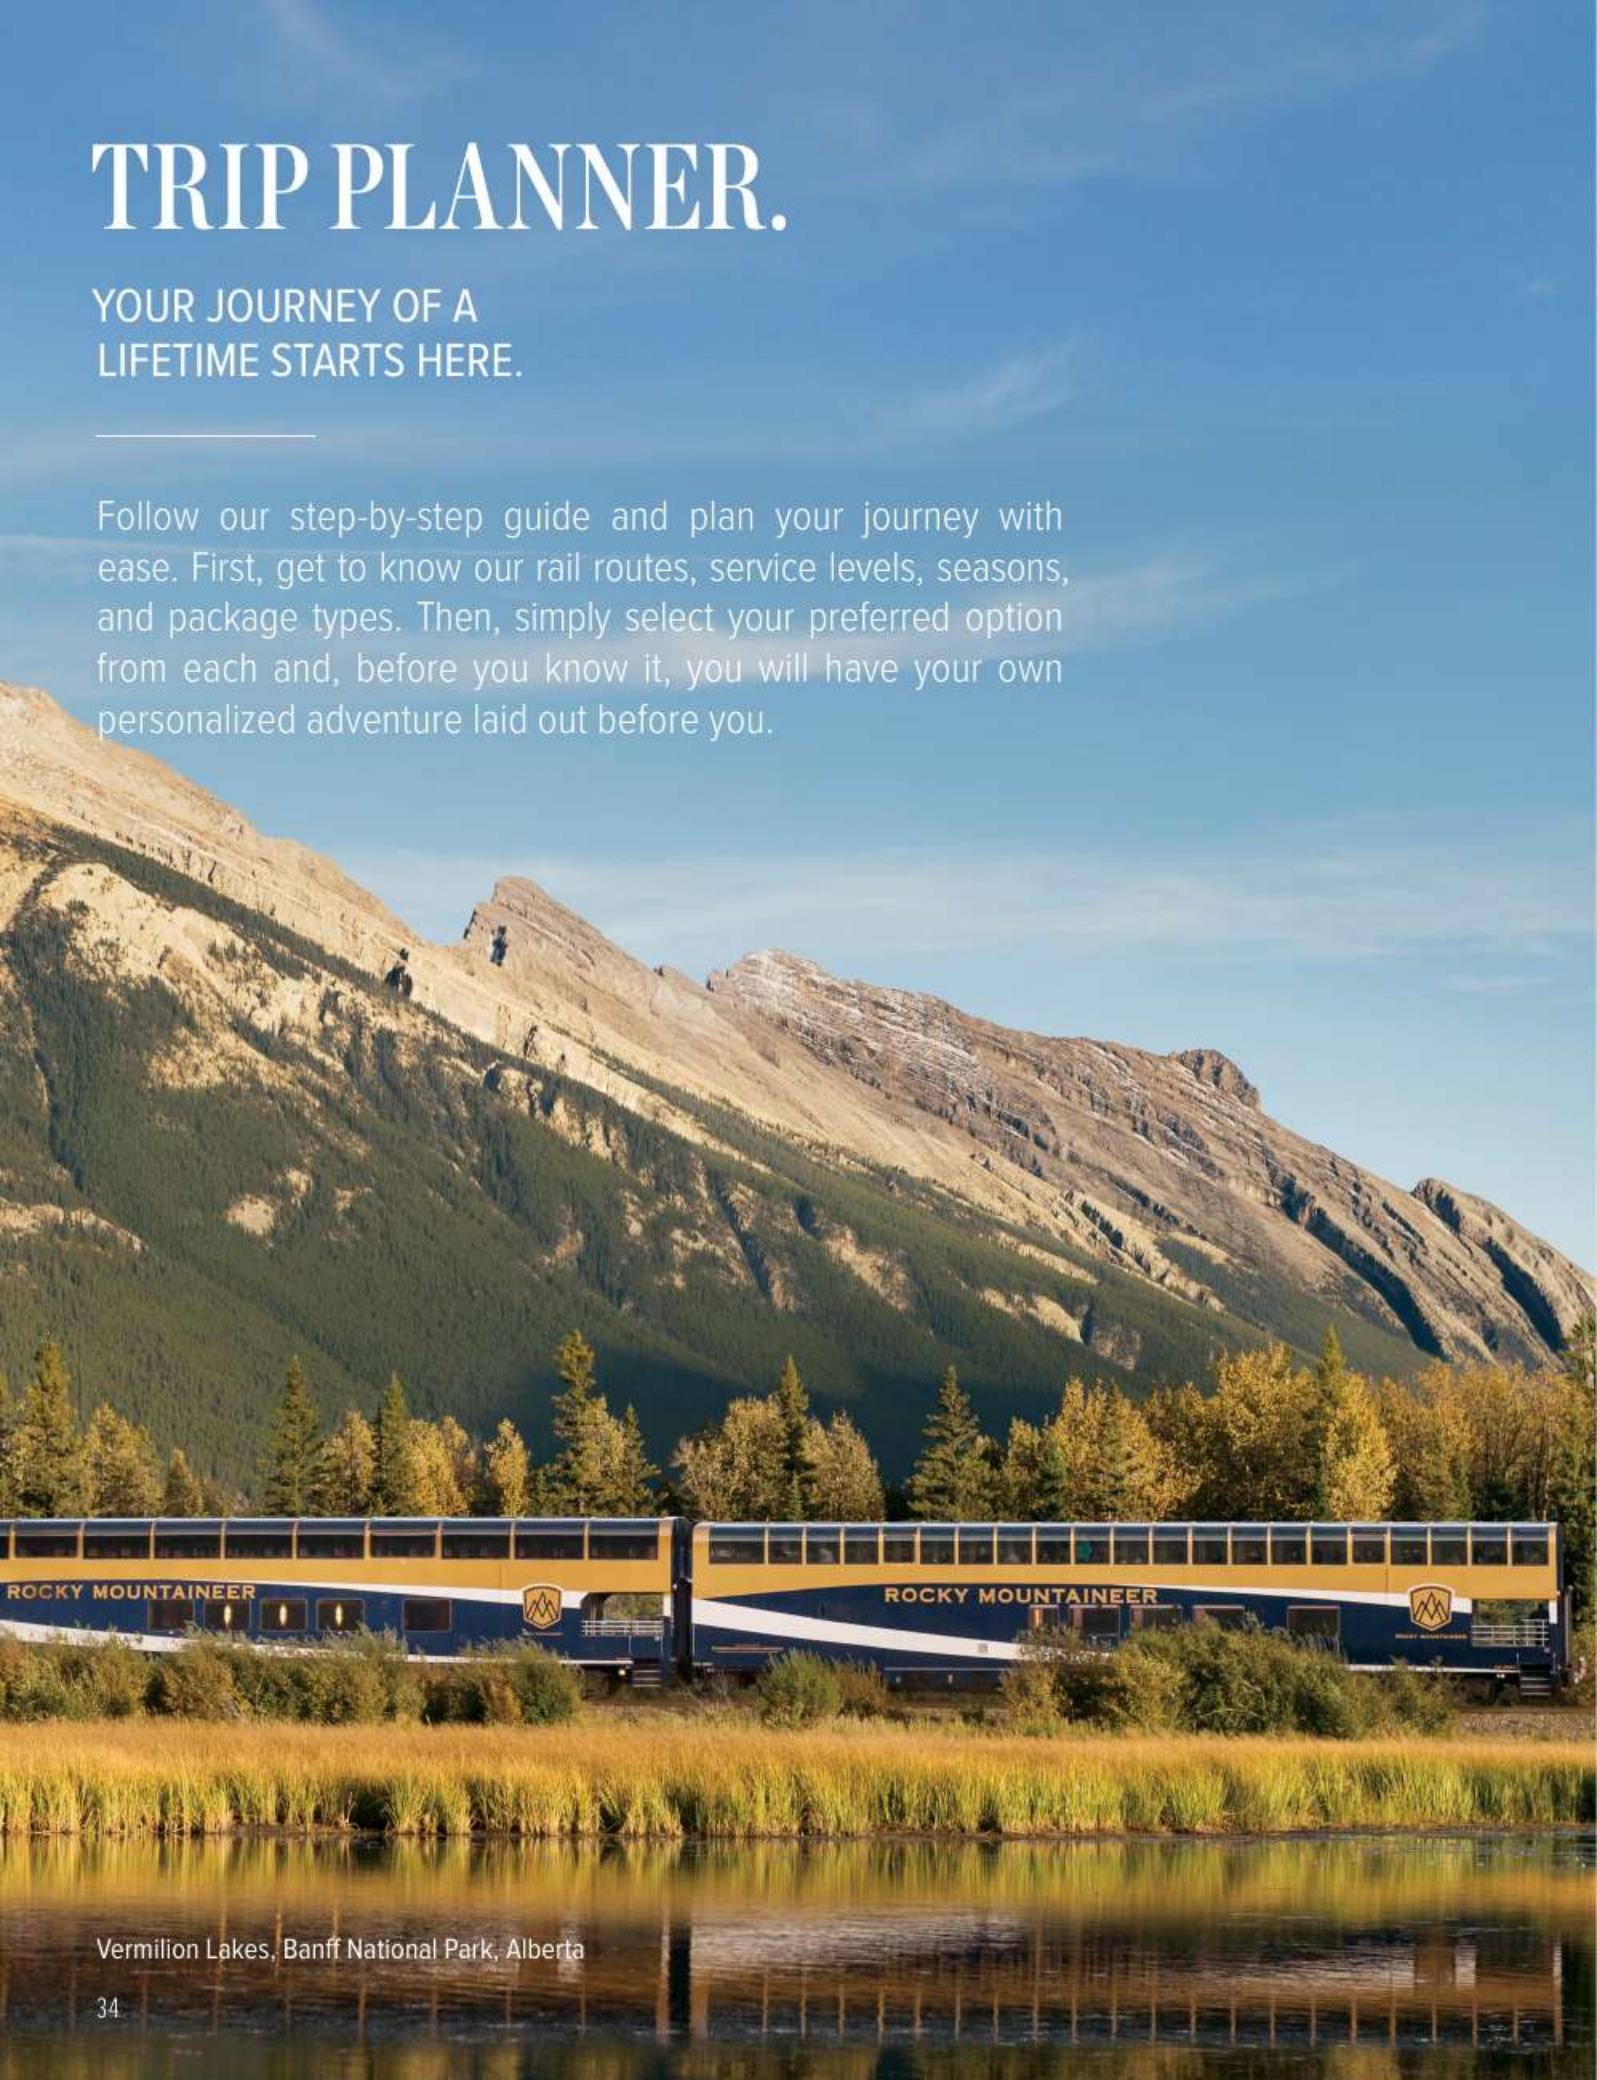

KAMLOOPS (MIDPOINT)

As a daylight-only train, all guests stop overnight in Kamloops, our midpoint destination. Here, you'll sleep in a hotel at night and board the train in the morning for another day of rail travel. Because train travel takes up the majority of the day, arrival in Kamloops is typically in the evening, leaving less time to explore than in our beginning and end-point destinations.

The majority of Rocky Mountaineer guests are adults; however, we do welcome a small number of children each season. Children travelling with us must be old enough to safely sit on their own. Infants cannot be seated on their parent or guardian's laps while onboard, and the seats on the train do not have seat belts for securing children's car seats. Parents and guardians are responsible for the safety of their children while onboard the train, and must ensure children are under their direct supervision at all times. We do not have a special price for children. Every guest on the train, regardless of age, pays the same price for their seat and onboard experience.

ARE MEALS INCLUDED?
Meals that are included as a part of your itinerary will be noted with either B (Breakfast), L (Lunch), D (Dinner) on each package page.

IS LUGGAGE HANDLING INCLUDED?
Your luggage will be delivered to your accommodation in our midpoint destination, Kamloops. For all other destinations, please review your final travel documents for luggage handling details.

WHAT WILDLIFE WILL I SEE?
There are wonderful opportunities for viewing wildlife on all our rail routes, and in our destinations. If you do encounter animals, please act responsibly, maintain a safe distance, and never feed any wild animal.

IS TRAVELLING EASTBOUND BETTER THAN WESTBOUND?
Our rail routes are spectacular in either direction and will include the same highlights and scenery. We encourage guests to choose the direction of travel based on their own schedule requirements and availability at the time of booking.

SHOULD I PLAN CONNECTING TRANSPORTATION OR DINNER RESERVATIONS ON RAIL TRAVEL DAYS?
Rail travel in North America is occasionally subject to unforeseen delays. For that reason, please do not arrange connecting transportation, including flights, or dinner reservations on these days.
