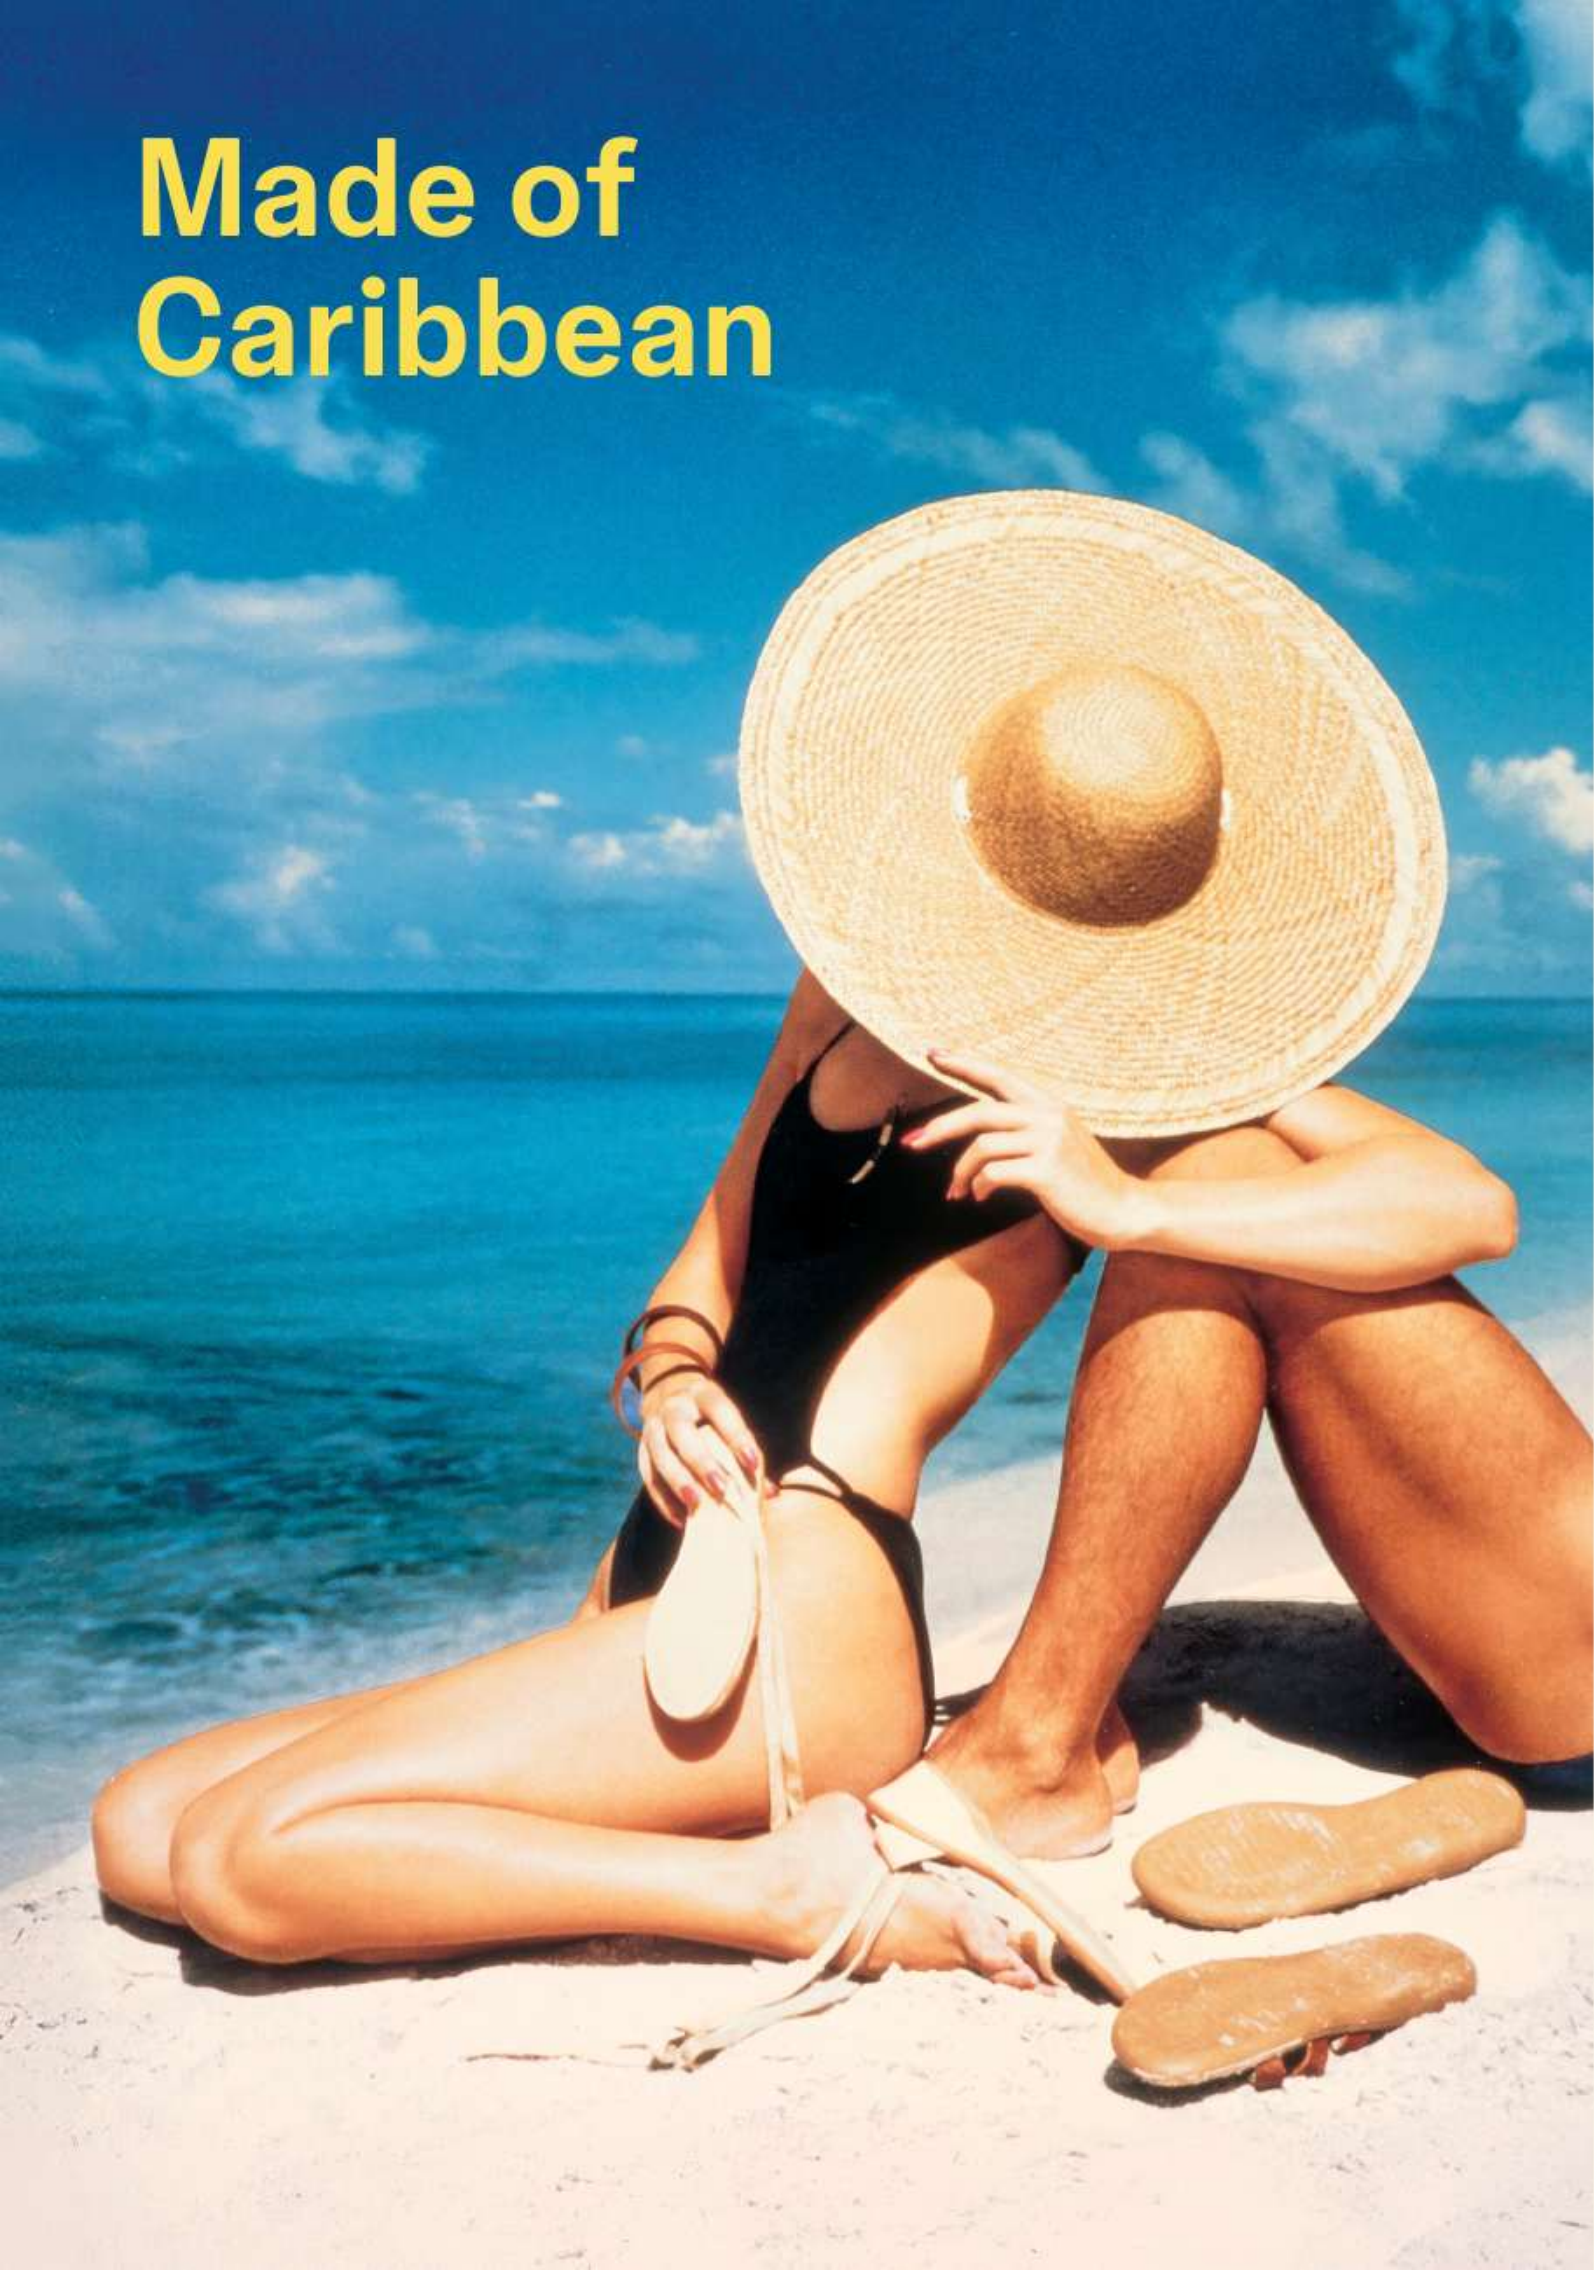
Made of Caribbean



Step back to 1981, on a warm, sunny day much like today. Jamaica hums with reggae, and the spirit of Caribbean warmth and hospitality thrives amidst blue waters, lush forests, and white sands. Gordon “Butch” Stewart, a young Jamaican entrepreneur, stands at the start of a travel revolution. The first Sandals Resort in Montego Bay opens its doors to a wave of guests and a new era of adults-only, all-inclusive vacationing begins. This moment spotlights Jamaica as a global destination, reawakening the golden age of travel for a new generation.

Using natural ingredients and skilled techniques, our treatments leave you feeling renewed. Imagine a Lavender Dreams Couples Massage beneath the shade of a palm tree in Jamaica or a Himalayan Salt Stone Massage in Curaçao. Leave your worries behind, but not your workout routine. Our state-of-the-art Red Lane Fitness Centers offer the perfect vacation exercise setup. Stick to your regimen or opt for a cheat day — the choice is yours.

A Taste of the Good Life

Local, island-infused bites await at every turn. With up to 17 restaurants per resort, discover new tastes that will satisfy every craving. Here, ingredients come first, delicious dishes follow, and happy appetites are always guaranteed. Share tapas, refuel at food trucks, or make it a date night at one of our elevated dining experiences — it's all here and all included.

Happy Hour is Every Hour

We're pretty laid-back here at Sandals Resorts, but drinks? We take them seriously. Kick back and sip up knowing our cocktails are made with top-shelf spirits, our wines are more than fine, and with bottomless drinks, don't be afraid to order a nightcap or two.

And Life's Biggest Moments

Tie the knot, renew your vows, or bring everyone together just for the joy of it. We'll make your celebration the center of attention and take care of every detail that comes with it. With the UNESCO World Heritage Pitons towering in the distance, Saint Lucia's volcanic soil, rich in magnesium and potassium, creates fertile conditions for an array of native produce. Originally nicknamed "The Helen of the West" for its beauty, we think our Helen surpasses Troy's. FOUNDATION

Education

The next generation will reimagine the future and redefine possibility

Tomorrow is shaped by the actions we take today. Through the Sandals Foundation, we're transforming schools into vibrant, nurturing environments where the next generation can flourish. From upgrading facilities to funding teacher salaries and providing essential supplies, we are empowering students to dream big and redefine what's possible for all.

Environment

Leave the Caribbean better than we found it

The Caribbean's natural beauty is our greatest treasure. With the Sandals Foundation, we lead the charge in coral conservation, the construction of sustainable nurseries, and clean-up projects. Our commitment covers both land and sea, encompassing turtle conservation, wetland preservation, marine sanctuary management, and the fight against invasive species like lionfish. Every project is a step towards a cleaner, healthier tomorrow.

Community

Your vacation changes more lives than your own

By collaborating with governments, civic leaders, and private donors, we create sustainable solutions that empower at-risk youth, women, and entrepreneurs. Investing in one person uplifts entire communities, creating a ripple effect of positive change.

The Sandals Foundation is committed to enhancing the lives of Caribbean families through investments in education, environmental sustainability, and community initiatives. You can join the island love, too. Load up school supplies through Pack for a Purpose, visit local schools on a Reading Road Trip, or rock Foundation merch in a show of support. The best part? One hundred percent of donations to the Sandals Foundation go directly toward improving Caribbean lives.

Break a Sweat

Leave your worries behind, but not your workout. Our state-of-the-art fitness centers across all resorts offer everything you need to stay active and energized on vacation. Stick to your regimen or discover a new favorite workout. Try Zumba or Aqua Exercise, and then perfect your weight-lifting form with a personal trainer. For an extra challenge, end your workout with a dip in the cold plunge before jumping back out under the sun.

Good Eats

Delicious, local, family favorites, and sweet treats. Beaches Resorts packs more flavors per tastebud than anywhere else. Island-infused bites await at every corner. With up to 20+ dining options per resort, discover a new experience at every meal. Here, ingredients come first, delicious dishes follow, and happy appetites are always guaranteed. Fuel up on fresh green bowls, grab a quick bite from the food trucks, or gather for a gourmet meal. It's all here, and it's all included.

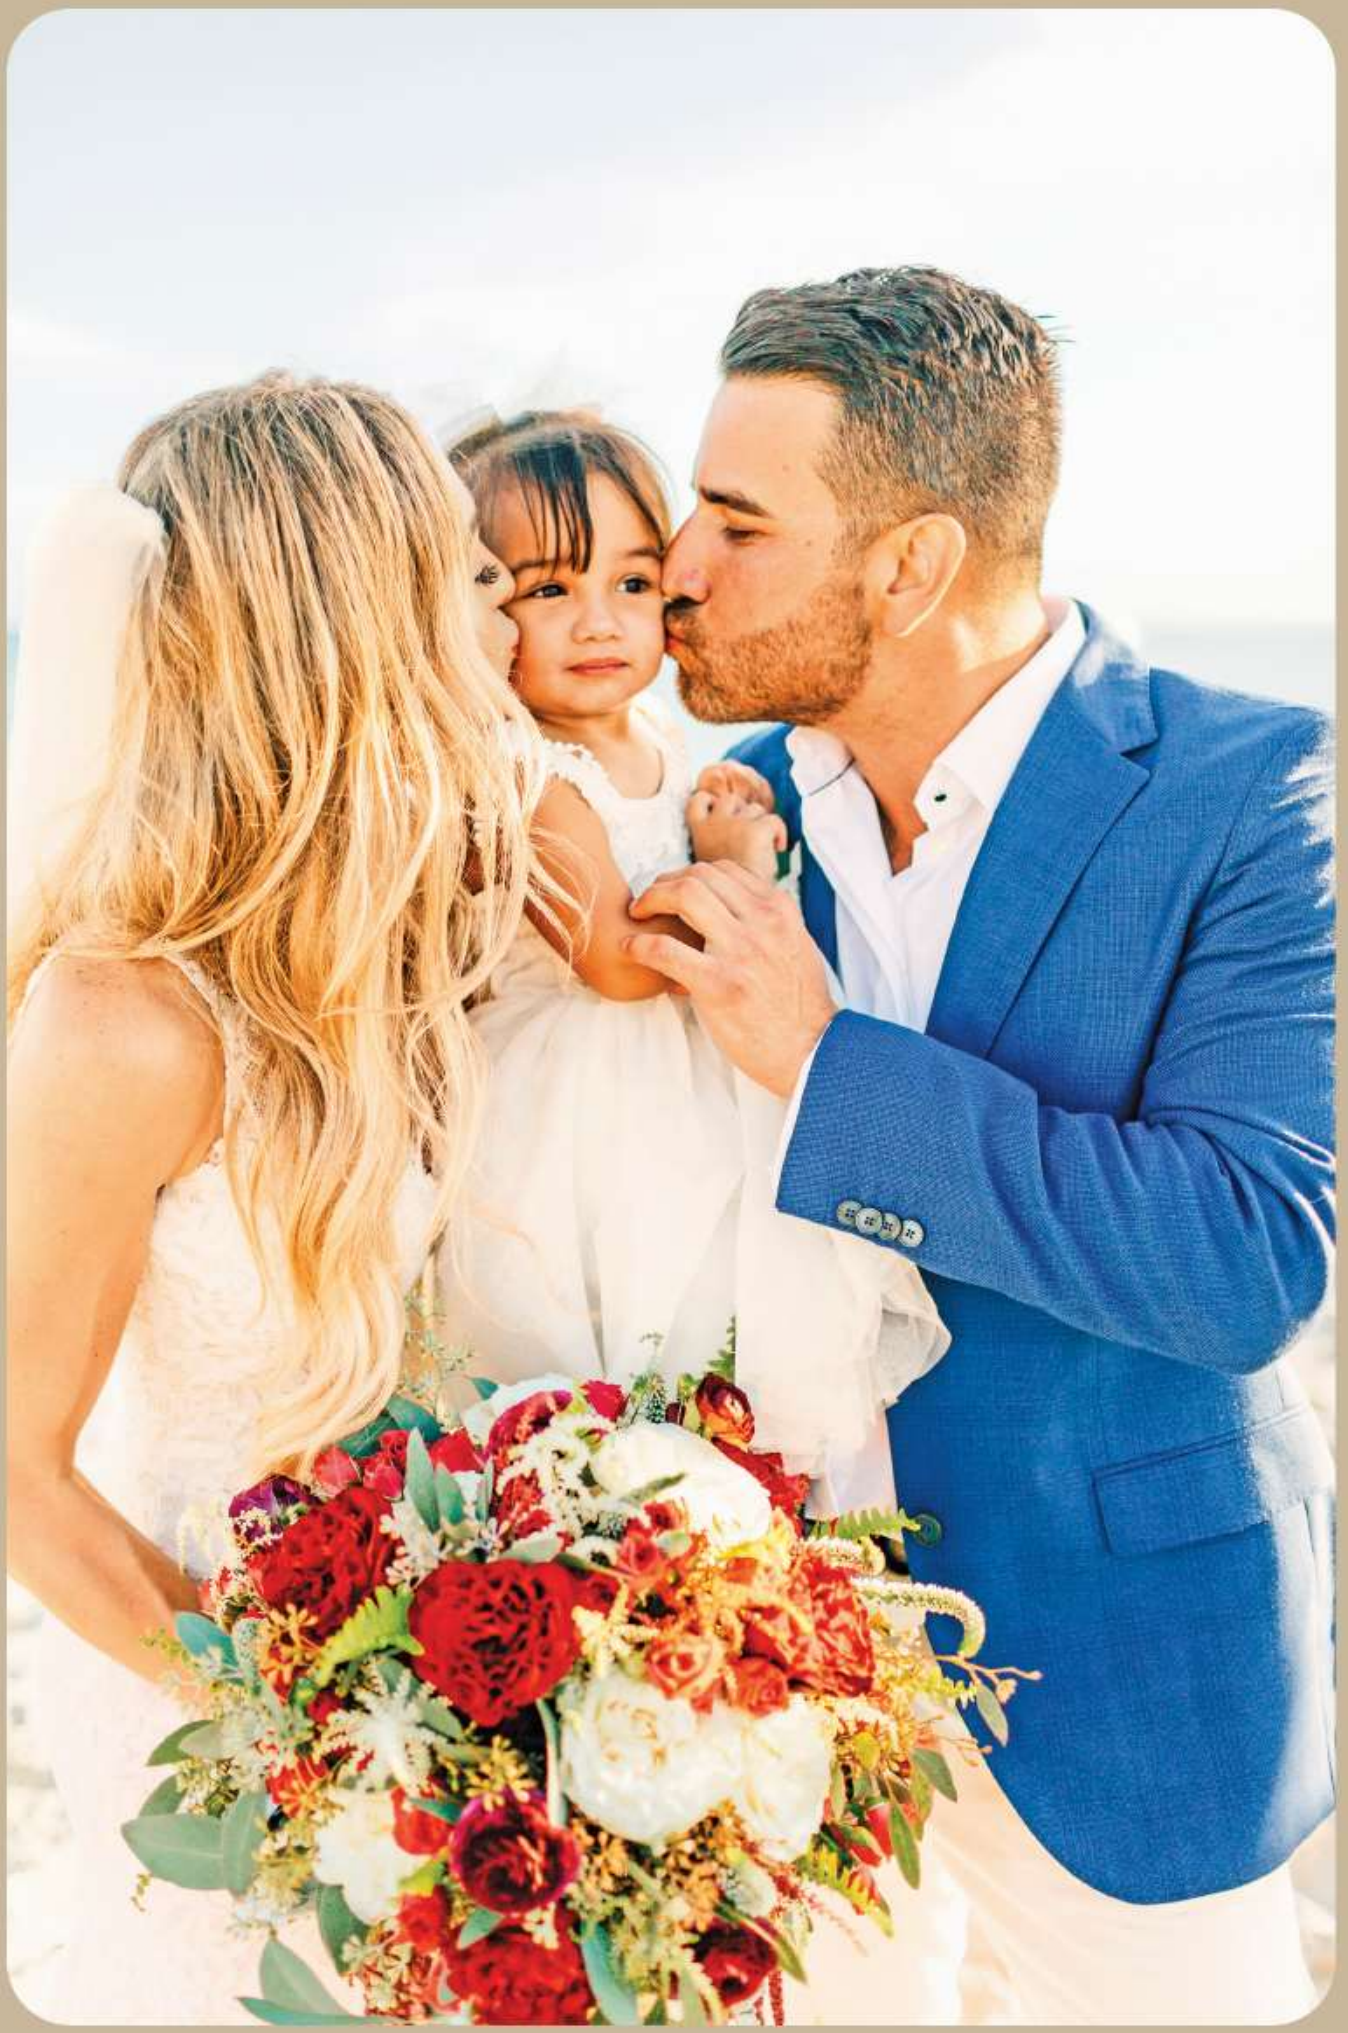
Fun Drinks

There's nothing quite like a cold Red Stripe under the umbrella by the pool to mark that vacation mode is on. We've got drink and venue options to rival the world's best, with swim-up pool bars, specialty pubs, and even vacay varieties for the family's youngest — our virgin mojitos are mom-approved.

Don't worry, mom.
It's a virgin mojito.

There's so much to celebrate — give us your reason, and we'll take care of the rest.

Tie the knot, celebrate an anniversary, or bring the family together just because. We know it's the special times shared with loved ones that truly matter (and a stunning sunset or beachside view doesn't hurt). We'll focus on every detail, making your occasion the center of attention, so you can focus on making memories with the people you love at the party of a lifetime. Personalized wedding packages, décor, and inspirations allow you to create your perfect day without the stress, all on the world's most beautiful beaches.



Beaches

Permission to bring out your inner child.

At Beaches Resorts, there's all-inclusive fun for everyone. Unleash your inner mermaid snorkeling underwater worlds or awaken your adventurous spirit windsurfing and water skiing. Navigate a clear-bottomed kayak, wave to shore from a paddleboard, or hang on for dear life on a banana boat ride. Our Caribbean waters are calm, clear, and they're calling your name. Feel the warm sun and cool sea invigorate your skin as you splash in the waves and tan by the shore — whatever sails your boat, or should we say Hobie Cat, because you can sail one of those here, too.

All You Can Play

The most inclusions for the best vacation, from PADI-Certified Scuba Diving and golf on championship courses to pickleball to volleyball, every land and water sport is there for the challenge. Your biggest vacation dilemma: choosing which to win first.

Of course, sometimes the best activity is to do nothing at all. In that case, may we bring you a drink?

Vacation with Sesame Street® Friends in Paradise

At Beaches Resorts, kids can play every day with their favorite Sesame Street® friends. Try fun-filled activities like Baking with Cookie Monster, Puppet Making with Bert & Ernie, and a Rock 'N Roll Dance Party with Elmo and friends. From Story Time adventures to learning the Letter and Number of the Day, there's endless educational fun and learning with Sesame Street® at Beaches Resorts.

Every moment at Beaches Resorts is designed to inspire joy and connection.

Morning yoga with Elmo, anyone?

Greet the sun with a morning yoga session featuring Elmo, splash around with friends at the water park, or get creative with Julia during Amazing Art. Every moment at Beaches Resorts is designed to inspire joy and connection. With an exclusive lineup of Sesame Street® activities, your little ones will not only have fun, but also build lasting friendships and learn valuable life skills.

All-Ages, All-Fun.

Let imaginations run wild at Beaches Resorts' Kids Camps, where your little vacationers will make new friends and create cherished memories with their favorite Sesame Street® characters.

From newborns and infants to teens on the edge of adulthood, there's an activity for every age. Every diet is welcome, too. With Beaches Culinary Concierge, even the pickiest eaters will find their favorite meals on the menu. If not, our chefs will create it.

And no, Kids Camp is not an elaborate cover-up so adults can lounge by the beach undisturbed, but it is an enjoyable side effect.

AUTISM CERTIFIED

The Land of Wood and Water

From the Blue Mountains to the Blue Hole, natural beauty sets the scene as far as the eye can see. How will your family explore Jamaica? There are no wrong answers here.

Every conversation resonates with local charm, and every turn offers a new adventure. The Jamaican sun reflects off the calm ocean, and our people greet you with warm smiles. Embrace island time — a new pace for days filled with delights and treasures: the touch of a soft breeze, the feeling of sun and salt on your skin after a dip in the ocean, and the chill of a refreshing tropical drink.

This is the island that started it all for our all-inclusive resort family. Come discover why.
