MEALS & DRINKS INCLUDED

Daily meals and drinks add up, but with Uniworld you will enjoy world-class cuisine, local wines, and premium spirits included in your fare.

As the only luxury cruise line permitted to sail within the lagoon itself, you'll experience the wonders of the Veneto region from a whole new angle while enjoying the finest luxury amenities. With individual bookings, an average trip can cost upwards of $7,000 USD per person.† But with Uniworld, the starting fare is $2,519 USD per person for 2026 departures. We've not only crafted the perfect experience, but most importantly, it's all-inclusive.

† Based off research from top travel booking sites through October 2025.

VENETO'S CITIES

Romance, history, and lore

The Veneto region in Italy is a symphony of landscapes, a chorus of ancient towns, and a crescendo of cultural splendor. Each UNESCO-designated city, a brushstroke in the masterpiece, paints a portrait of Northern Italy, where time dances with elegance and every cobblestone whispers a tale.

VENICE

The capital of Veneto and the focal point of our cruise, this UNESCO-designated city stuns visitors without fail. Our time here is carefully curated to maximize your experience while avoiding the crowds, including private before- and after-hours visits to the Doge's Palace and St. Mark's Basilica.

PADUA

Older than Rome, Padua was a vibrant center of learning and discovery in the 13th and 14th centuries. The second-oldest university in Italy was founded here in 1222, hosting such students as Copernicus and faculty as Galileo. Take in the city's great squares, churches, and palaces, and admire the Byzantine-influenced domes and towers of the basilica.

VICENZA

Set out for Vicenza, a beautiful town famous for its shopping, its architecture, and for being the home of the Teatro Olimpico, considered by many to be one of the greatest masterpieces of famous 16th-century architect, Andrea Palladio. Enjoy a captivating light and music show while you're here—an absolute must-see.

Doge's Palace, Venice, Italy

VENETO'S ISLANDS

Crown jewels of the Adriatic

CHIOGGIA

Imagine a Venice less shaped by tourism, and you'll have Chioggia, a charming and authentic fishing village towards the south of the lagoon. Visit the local market, or bike around to take in the canals and beaches before heading into the countryside for a delicious farm lunch.

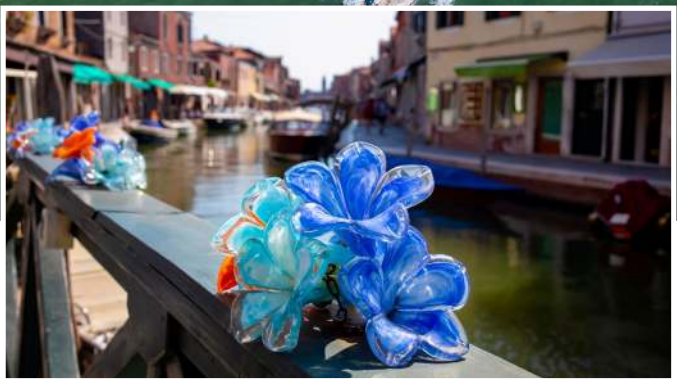

BURANO

Beauty is a way of life on this famous island, from an intricate lacemaking tradition to the brilliantly painted buildings that line its canals. Visitors flock here in droves, but only Uniworld enjoys the privilege of being able to dock here overnight without the crowds.

The Veneto islands, nestled in the Venetian Lagoon, are a treasure trove of charm and history. Their vibrantly colored houses are a photographer's dream. These islands are more than just tourist destinations; they're living communities with their own unique cultures and traditions.

MURANO

Known for its glassblowing tradition, Murano may have been the first industrial district in the world. Murano glass beads are even recognized by UNESCO as a World Heritage tradition. On your visit with Uniworld, you'll watch a glass-master shape works of art in their workshop.

TORCELLO

Stroll the quiet little island of Torcello, and you might find it hard to believe that it was once the most populous island of the Venice Lagoon. Tucked away in an old basilica on Torcello is a masterpiece of mosaic artwork—and a serene little osteria where we'll enjoy a coffee break.

THE FINEST HOTEL IN VENICE

is the only one that floats

VENETIAN-INSPIRED, BOW TO STERN

The design of the *S.S. La Venezia* draws influence from the fine Fortuny fabrics displayed prominently onboard. Murano glass, gilded accents, and artistic-etched elements pay homage to popular Venetian aesthetics of the early 20th century, creating an onboard atmosphere that is at once elegant and nostalgic. This is the level of boutique, locally-inspired décor every Uniworld guest can expect when they step aboard our ships.

With a luxurious atmosphere inspired by Venetian culture, a fantastic restaurant, and a central location with waterfront views, the *S.S. La Venezia* checks every box for the elusive perfect stay in Venice. But it doesn't stop there, our hotel is the only one in town that floats, giving us the unique ability to transport you around the Veneto region with unparalleled ease. Between that and the passionate attention to detail we've given every element of our ship's design, the *S.S. La Venezia* will set the tone for an unforgettable vacation.

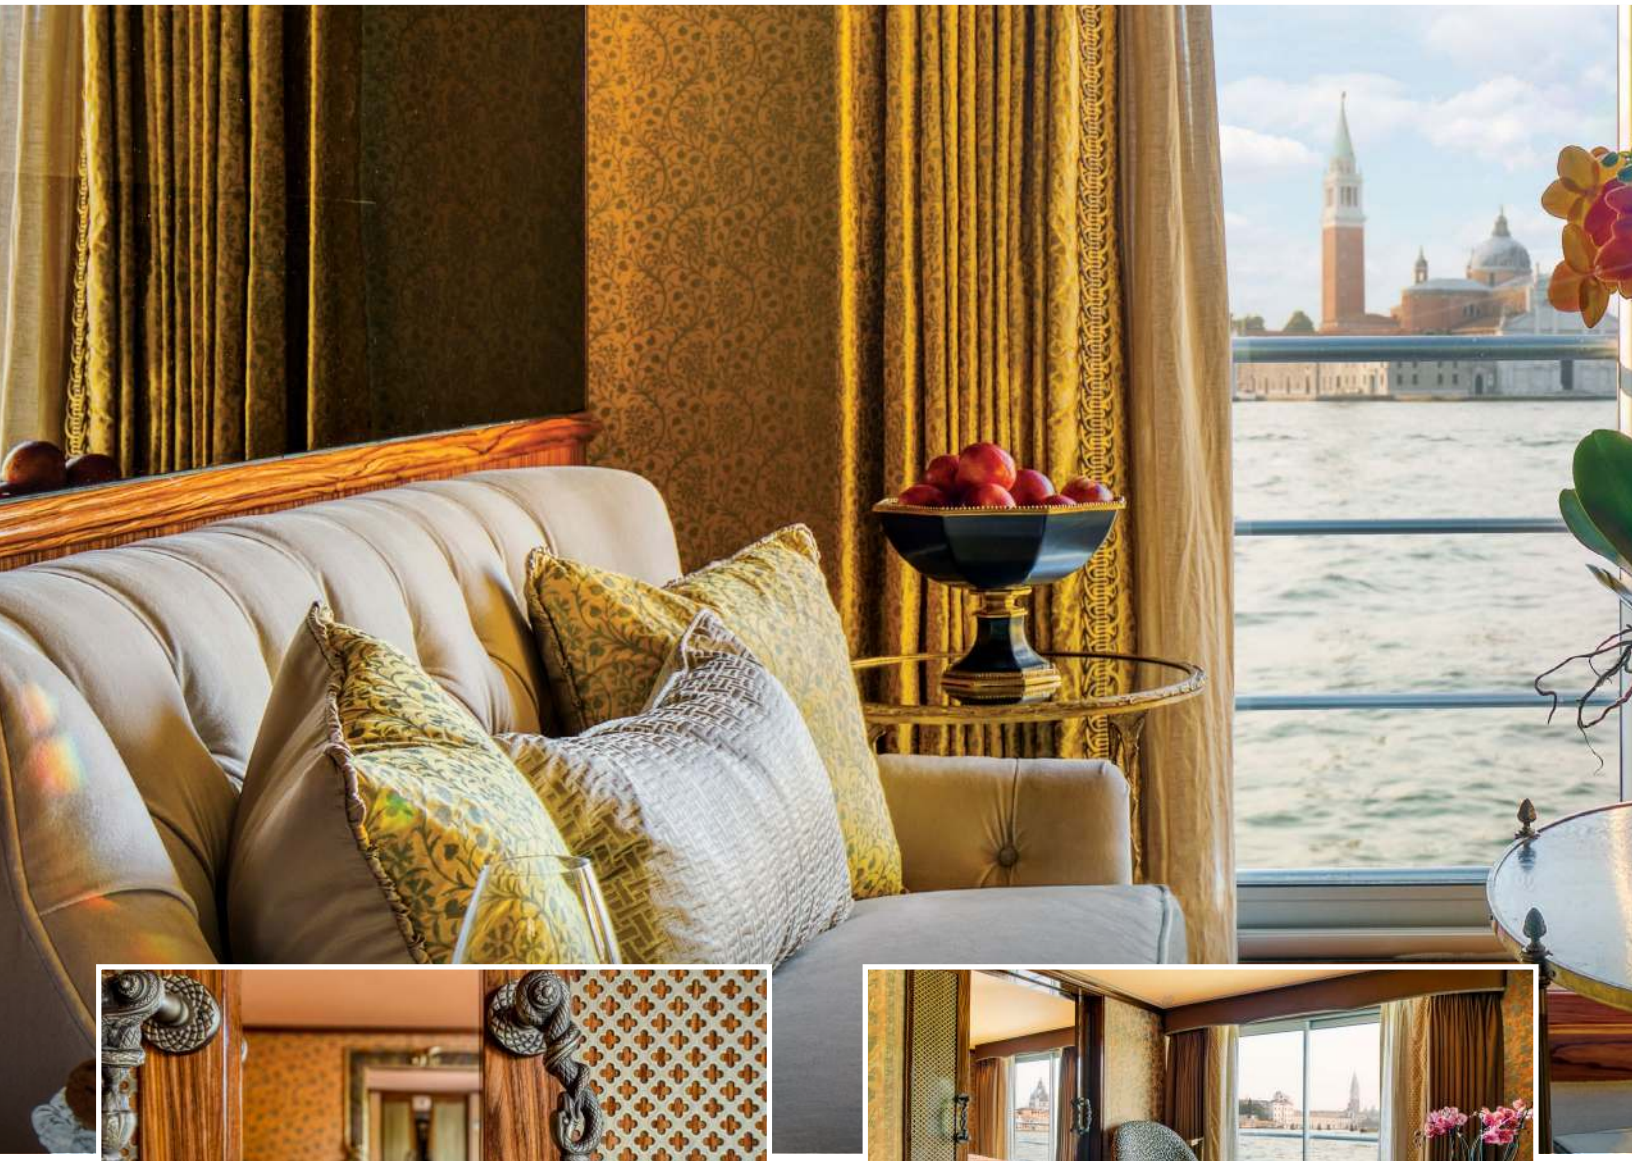

DISCOVER LAGOON CRUISING

One of the most inspiring things to see in Venice is the lagoon itself. This UNESCO-designated body of water makes for some of the most breathtaking sailing you'll ever experience. Add to that our luxe accommodations, friendly onboard atmosphere, all-inclusive amenities, and free-flowing premium drinks—it doesn't get better than this.

THE BEST SUITES & STATEROOMS

with magnificent Veneto just outside your window

THOUGHTFUL PERSONAL TOUCHES

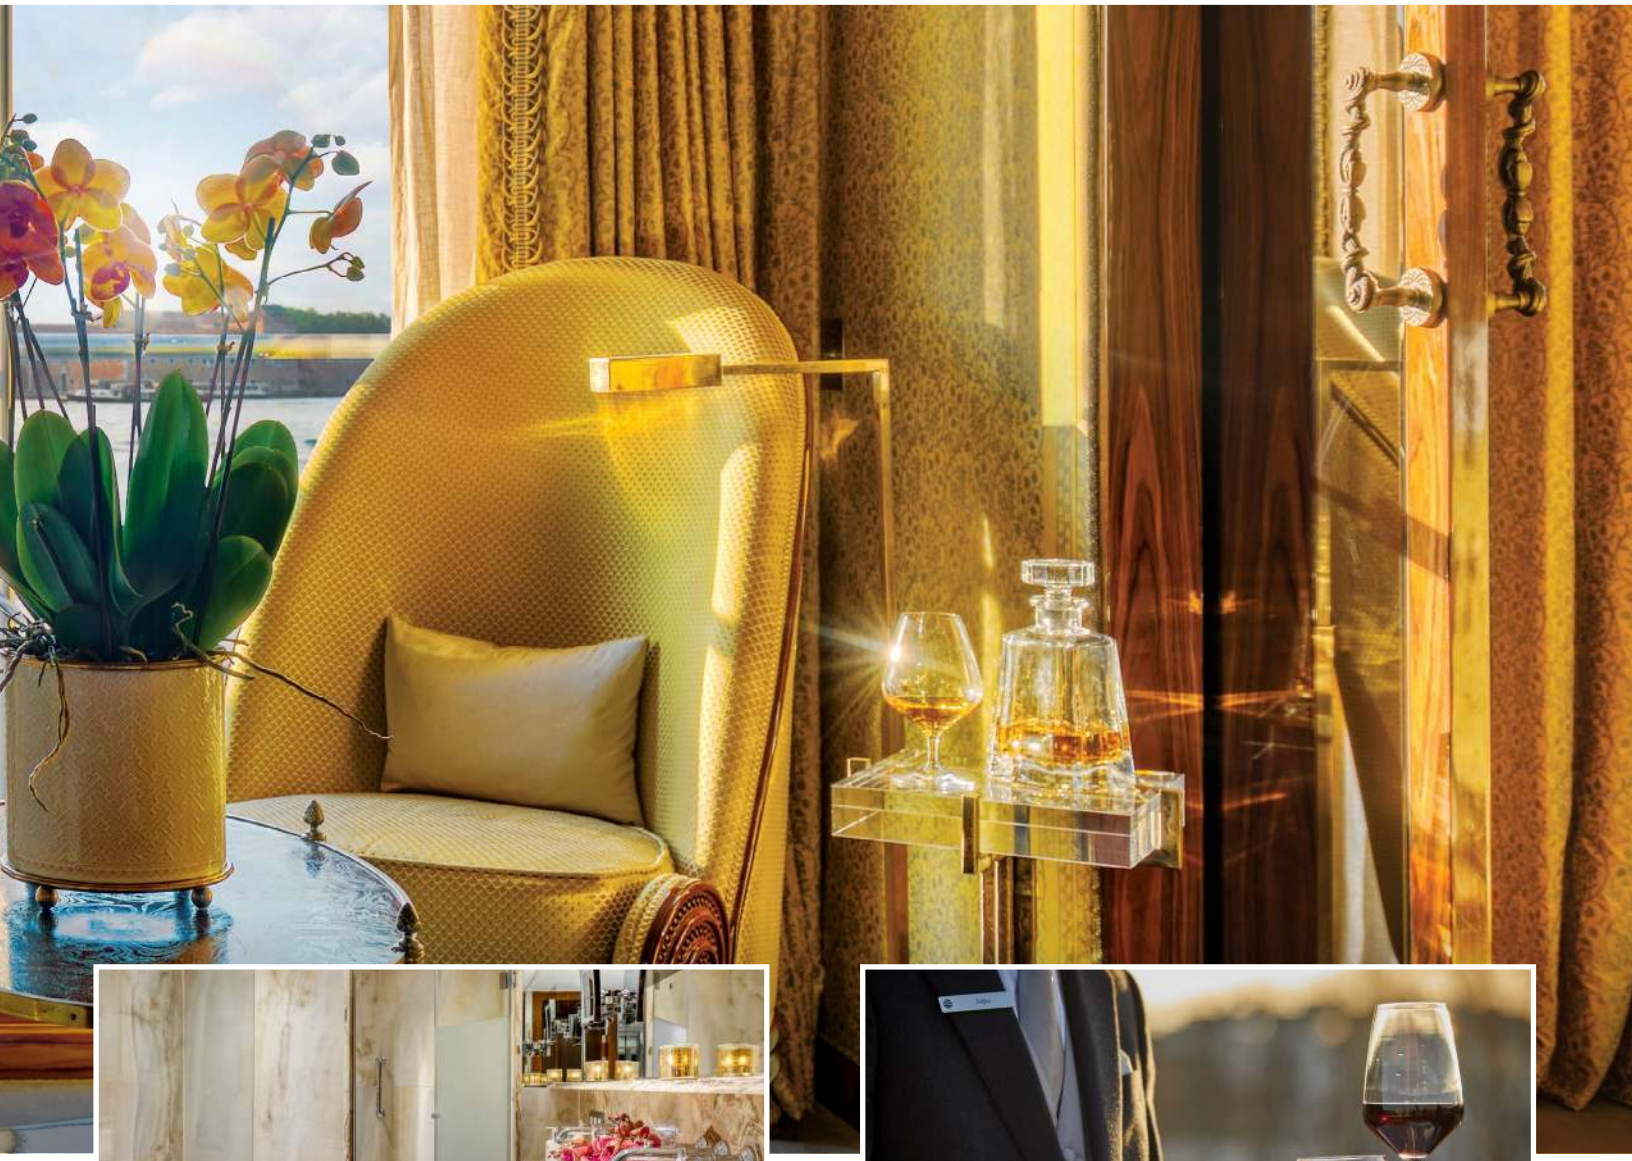

Each element, down to the smallest detail, has been thoughtfully considered and flawlessly rendered to perfectly blend old-world elegance with the latest technological innovations and ultra-luxurious amenities.

LAGOON VIEWS

Relax and enjoy the ever-changing scenery as you sail through the breathtaking Venetian Lagoon and dock in a variety of interesting destinations.

Sitting in your stateroom chair watching the Doge's Palace pass by just outside, you realize how truly special the *S.S. La Venezia* is. The experience is only heightened by the comfort of your handcrafted Savoir® Beds of England mattress with 100% Egyptian cotton sheets and fine European duvets. Carefully selected amenities and detailing complete the finest accommodations in Venice, land or sea.

THE SUITE LIFE

Upgrade to our one-of-a-kind suites to enjoy outstanding butler service, large marble bathrooms with a double vanity, Asprey bath and body products, a fully-stocked bar, fresh cookies and fruit delivered daily, and more.

BUTLER SERVICE

Every suite comes with butler service included. Unlike other cruise lines, our butlers don't moonlight in other positions, enabling them to deliver exemplary service to our suite guests around the clock.

EXCEPTIONAL CUISINE

Embark on a culinary voyage like no other

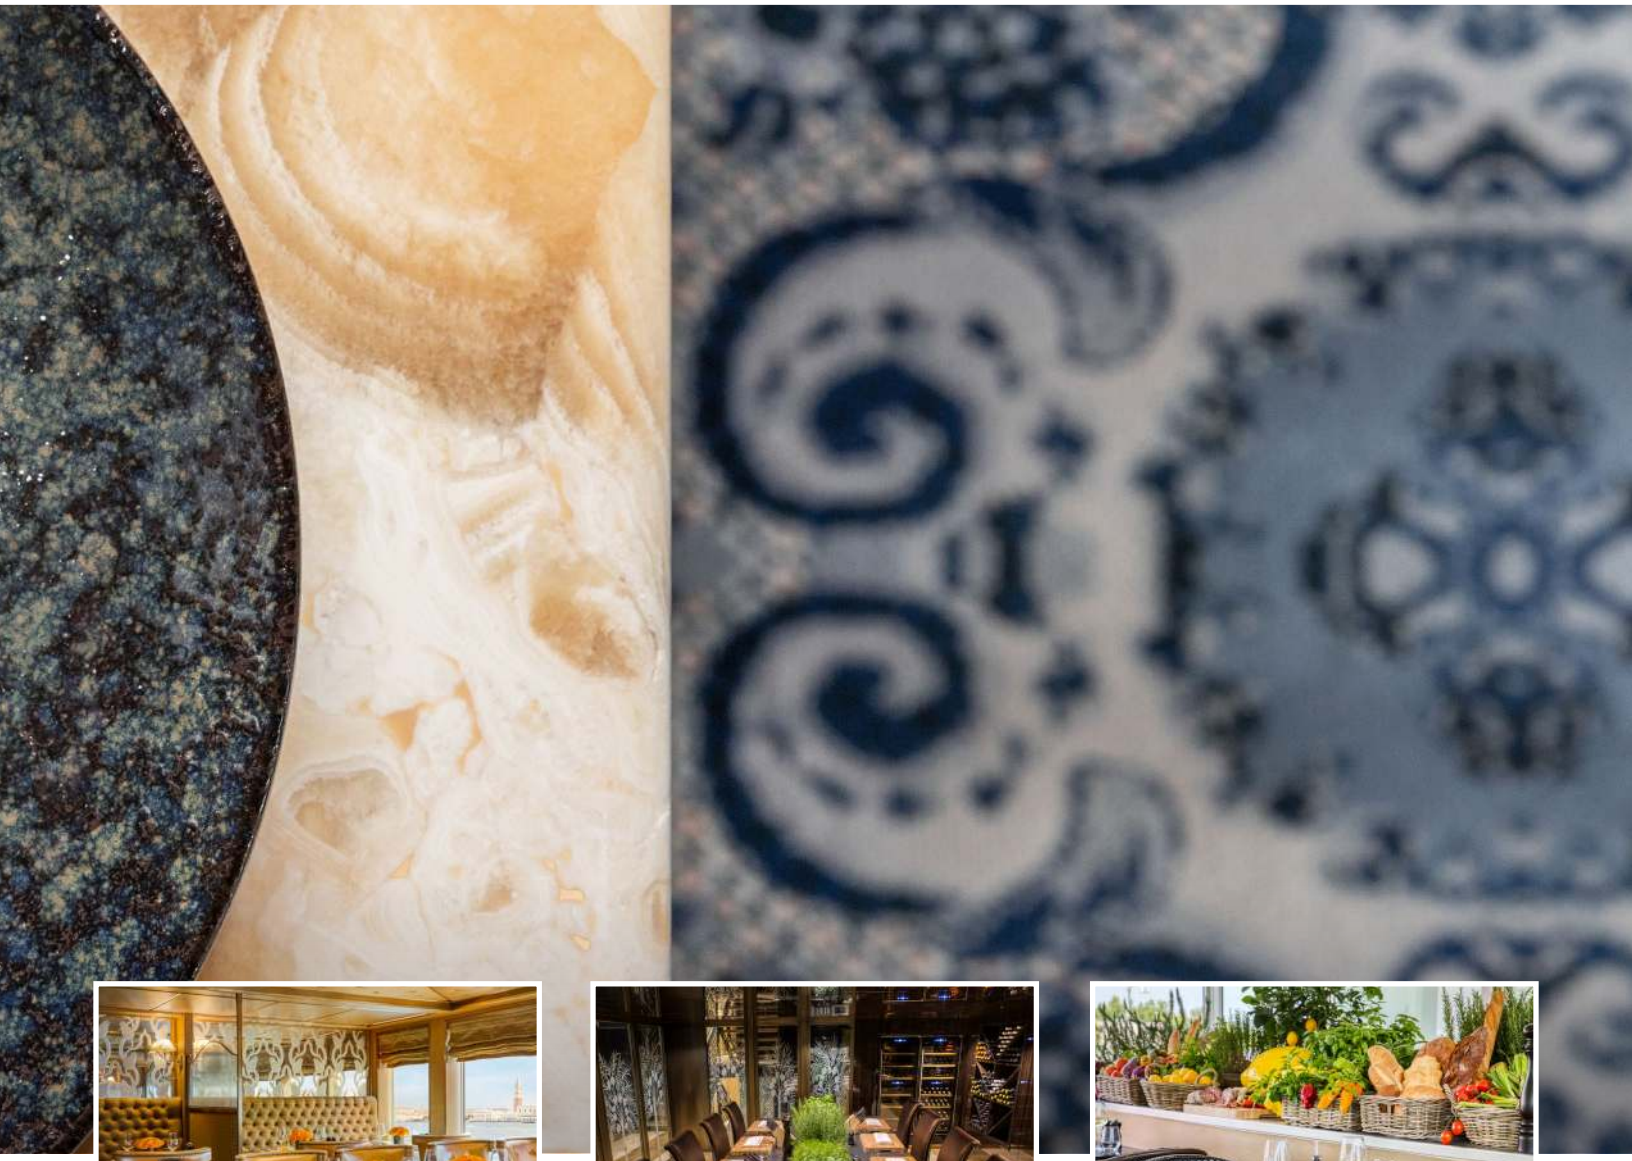

DINE IN MULTIPLE ITALIAN-INSPIRED VENUES

Our Super Ships offer a range of dining options inspired by the destinations you visit. From delightful brasseries to elegant restaurants and chef's table experiences, we have carefully designed alternative dining venues that showcase local cuisine.

With the Uniworld experience being incredibly unique, you can expect nothing less from the cuisine you will enjoy onboard. Discover the essence of each region through our ever-evolving menus, crafted with fresh, seasonal ingredients that change throughout the season. From the very first bite, you'll understand why Uniworld is renowned worldwide for our extraordinary dining.

RISTORANTE RIALTO

The largest dining venue onboard is a warm and cozy restaurant offering traditional Venetian fare. Surrounded by intricately etched panels, inspired by the interior of the *Orient Express*.

LA CANTINETTA

Offering private dining with wine pairing, guests are invited to start their La Cantinetta experience earlier in the day by accompanying the chef to source ingredients at the food market.

CIELO'S

For pure Italian comfort food with the best view of Venice, guests can relax inside Cielo's on the sun deck, serving classic pizza with locally inspired toppings and flavors.

ONCE-IN-A-LIFETIME EXPERIENCES

Enjoy private access to top sites

The top sites of Venice can be notoriously crowded. Not for our guests. Enjoy private access to once-in-a-lifetime experiences. Plus, Uniworld's exclusive dock on the rainbow-hued island of Burano means you get to explore this colorful favorite when all the tourists have gone home.

NIGHTS OUT: PRIVATE VISIT TO ST. MARK'S BASILICA

Welcome to St. Mark's Basilica. The doors of this icon are specially opened for you tonight. You will see the glorious church in the evening light and without the crowds. You'll find it almost impossible not to gaze heavenward as you enter St. Mark's. High overhead, magnificent domes are sheathed in mosaics telling the story of the New Testament, but don't miss the intricate pattern of marble and mosaic tile under your feet.

A PRIVATE MORNING VISIT TO DOGE'S PALACE

You first arrive to the Doge's Palace and the most famous piazza in Italy, St. Mark's Square. Venetians elected their first doge, or duke, in AD 697 and began building the palace around AD 800. The palace complex, as it exists now, mostly dates to the 14th and 15th centuries, and it brims with jaw-dropping artistic gems, including Tintoretto's wall-sized Paradise and works by Veronese, Tiepolo, and Titian.

COUNTRY VILLA AND ITS WINES

With a sommelier as your guide today, you will learn about the long history of winemaking in the Veneto region. Visit Dominio di Bagnoli, one of the oldest wine-producing properties in Europe, for a private tasting. A variety of wines are produced here, with the most popular being made from an indigenous grape variety. The beautiful property of Dominio di Bagnoli is also a farm, where rice, grain and other products are grown. You'll have the opportunity to see the granary on your visit today.

EVENING STROLL IN BURANO

Hot pink, chartreuse, orange, lemon yellow—Burano's brightly painted fishermen's cottages are an artist's dream. Burano is known for its lace-making tradition, handed down from mother to daughter since the first workshop was set up at the end of the 16th century. Stroll into town during your free time to appreciate this charming island when most of the tourists have left for the evening.
